

ECLIPSE OF THE CROSS

ASTRONOMICAL PROPERTIES OF THE DEATH OF THE LAMB OF YHVH

What is rather interesting is that *Jupiter*, the *King Planet* happened to align on this day with Jesus on the Cross and the Temple Mount in direct alignment by the 3pm hour. It was at the exact time Jesus died. Based on the Gospel accounts, Jesus after having been up all night. After celebrating the Passover with His Disciples in the Upper Room, Jesus was arrested and tried 7 times during the night. If one was present at the 3pm hour when Jesus died on the Cross of Calvary towards the north of the Temple Mount and look directly towards the west just above the Temple proper as the afternoon sacrifices of the Passover Lambs were being slaughtered in the darkness of the solar eclipse, the following would have been depicted in the stars. The planetary alignment of Mercury, Venus, the Sun and Jupiter would have been at an exact vertical alignment. Moreover, the distance from Mercury to Venus and the Sun would approximate the phi ratio of distance between each other, which is amazing, the

The Constellations just showing above the Pinnacle of the Temple was Pisces that perhaps suggested the Age of the Fish to come that has encapsulated the Church Age. Next if one drew a line from the Holy of Holies to the Star Capella in Auriga, Pierced Shepherd and symmetrically juxtaposed it, the corresponding Star was Alnitak. This is the largest of the 3 Stars of the Belt of Orion and the Star that correspond to the Great Pyramid of Giza. It is a 'Clock'. Consequently, this angle is approximately 72 degrees which then echoes the degree of Precession of the Equinox and other Sacred Numerical Association with 'Hidden Knowledge'. What is very prominent is that the Sun is directly aligned at that hour Jesus died as the 'Lamb of YHVH' just to the Side of the North at very same hour.

This Crucifixion would liberate the 'Chained Woman', Andromeda and the Fish that were bound by the Beast the Sea Monster, Leviathan, aka Lucifer. Throughout the Church Age, the Bride of Christ has likewise been in a State of Humiliation of sorts as Believers in Jesus as the Christ still live in Mortal Bodes and a Fallen World. Will there be still such a Planetary Alignment that will correspond to the Rapture event where the 'Pisces' and the 'Andromedas' throughout the Church Age will be liberated of the Chains of Sin/World once and for all?

TETRAGRAMMATON

A Father sacrificing a SON

As to the Star Capella in Auriga the Shepherd, it means the 'Pierced One'. This Astronomical Depiction is seen as the Horn of Taurus does pierce the Heel of the Shepherd, Auriga. This speaks prophetically of the Eternal Struggle and battle of the 2 Seeds pitted against each other since in the Garden of Eden by YHVH. This disclosure to Mankind was in fact the 1st Biblical Prophecy given to Mankind, Genesis 3:15, a Proto-Evangelism or Gospel.
