ART HISTORY PRESENTATIONS

The Abstract Expressionists

Tuesday, August 16th at 6:30pm

Explore the giant canvases, splattered paint and brilliant colors of the 20th-Century American Abstract Art Movement. See what kind of meaning you can find in the works of Kandinsky, Pollock, Krasner, Frankenthaler, and Rothko – key figures of this important and often confusing period of art.

Join local art historian Jill Sanford for an enjoyable hour of challenging yourself to see art in new ways! The guided format and carefully selected images reveal clues and meaningful connections. In just one hour you'll discover ways to get more out of looking at art!

This program is supported in part by a grant from the Lakeville Arts Council, a local agency which is supported by the Mass Cultural Council, a state agency.
