Cancellation

Acupuncture & Wellness Center strives to provide the most professional care for our patients. In doing so we provide a structure in our treatment schedules that enable us to ensure the best care for all we serve. We ask that you provide us with at least 24-hour notice if for some reason you must cancel your appointment. No shows or frequent cancellations will mean that a slot that could have gone to another patient would be unfilled. Therefore, under these circumstances, we will charge a \$40 missed appointment fee. Thank you for your understanding.

Tardiness

As we make every effort to see you on time, we must ask that you call our office if you anticipate being late for an appointment. We understand that occasionally delays will lead to arriving late to an appointment. Appointment times are as scheduled and cannot extend beyond the stated time to accommodate late arrivals. Please arrive 5 minutes prior to your scheduled appointment so that your treatment can begin on time. You will still be responsible for full payment.

For patients showing up late, if we are unable to accommodate you, we will have to reschedule your visit so that we can be punctual to our next appointment. You will be responsible for the missed appointment fee.

Sickness

If you are experiencing signs of illness, please call the office as soon as possible to reschedule your appointment.

For Patients Billing Insurance:

Cancellation

We do not bill insurance companies for missed appointments or late cancellations (less than 24-hour notice). You are responsible for paying the missed appointment/late cancellation fees.

Veteran Cancellation

For Veterans authorized by the VA, we cannot bill or collect payment for missed appointments or late cancellations. Frequent no-shows, tardiness, or late cancellations will result in discharge from treatment.

Financial Responsibility

Once your insurance is verified, we will bill and accept payment from your insurance company for covered services. In the event that the insurance company denies payment or makes partial payment, you are responsible for the balance, deductibles, and co-pays. Your signature below confirms your financial responsibility for all services regardless of insurance reimbursement.

Assignment Benefits

Your signature below authorizes and directs payment of medical benefits to the acupuncture practitioner for services provided by this office.

Release of Medical Records
