The outbreak of a new coronavirus continues to cause the disease called COVID-19. COVID-19 is having a direct impact on the health and safety of Beverly Shores residents, and visitors. Porter County is experiencing increasing numbers of confirmed positive cases of COVID-19.

COVID-19 has been declared a public emergency by Governor Holcomb, and I hereby declare COVID-19 to be a local disaster public emergency under Indiana Code § 10-14-3-29.

In order to protect public health, restrictions must be established to help curb the spread of COVID-19.

With this understanding, I, as the Beverly Shores Town Council President, hereby Order the following, effective July 17, 2020, at 2:01 P.M.

A. Face Covering Mandate

Every individual must properly wear a face covering over their nose and mouth when they are at any of the following locations, with any person who is not a member of the individual's immediate household:

1. an indoor area open to the public; or
2. an outdoor public area where a distance of 6 feet from individuals who are not members of their household cannot be maintained; or
3. a private indoor or outdoor area where a distance of 6 feet from individuals who are not members of their household cannot be maintained.

An adult should supervise use of face coverings by children aged 3 to 12 to avoid misuse. A properly worn face covering is one that fully covers the individual's mouth and nose, fits snugly against the sides of the face with no gaps, is secured (i.e. straps, ear loops) to prevent slipping, and allows for breathing with no restriction. All face coverings, which are not disposed of after each use, should be washed each day it is used and made completely dry before the next use.
