March 15, 2019

Dear Parents,

The faculty committees have been working hard developing a strategic plan and drafting an updated mission statement for the school. This week, several parents will be examining these documents and contributing their expertise as we look to include representation from our community. Thank you to the parents who have volunteered to help in this endeavor. We are all most grateful!

In response to parent and FASA requests, we have added a Board of Trustees section to the website, under the *About ASA* tab. There you will find the BOT By-Laws, a list of members, and the last meeting summary of notes.

The students in fifth grade have been asking if they would be able to take home their Chromebooks in order to do homework. They have demonstrated themselves to be responsible, and therefore have earned the privilege of taking home the devices Monday – Thursday. The Chromebooks will stay in school Friday and over the weekend to recharge on campus. Please see the Acceptable Use Agreement/Policy included in the VE as a reminder of each student's responsibilities. There is no need to return this, as everyone has signed and returned one at the beginning of the year.

On Monday, March 25, the students in the seventh and eighth grade will be attending the Mass for Life at St. Paul's Cathedral in Worcester, along with students from across the Diocese. All Saints Academy was asked to have a student represent our school as a reader at this year's Mass with the Bishop, which is quite an honor. Representing our school will be Sophia Civitenga. Congratulations!

One other calendar note is that we have been asked if our students (K-8) would sing *God Bless America* at the Worcester Railers game on Saturday, March 30. Please email Mrs. Christine Petkus at cpetkus@allsaintswebster.org to let her know if your child would be interested in participating in this event, and check the virtual envelope for more details.

Happy St. Patrick's Day, and think spring!

Yours in Christ,

Joan E. Matys
