~ The Library of Living Light ~

The **Akashic** Library or (Akasha) is a **Repository of Records** and holds the energetics of past, present and possible future lives and their events. The Akasha is said to be the Library of all events and responses concerning consciousness in all realities. Each Periodical is a Book of Life that tells one's Story. The **Library** or (Hall) of these **Records** is where all soul's Akashic Records are Housed energetically within a **Zero Point Energy Field**. Here, one may obtain the necessary information of their **Karmic Life-Events** and also receive a **Collective-Wisdom** to gain insight to heal, and begin to balance out these experiences. It is important of this life's incarnation, that one becomes free from **Old Memory** that no longer **Serves the Soul**.

Wouldn't it be great to get to the **Root-Cause** of problems, illnesses, re-occurring situations, and **Karmic** misalignments, so that the Life being Lived in the here and now, can be of **Harmony, Balance and Peace?**

A thought ~

Is it possible that you are still living in a **Karmic Movie**, still Looping in a **Motion of Memory** being repeated in this lifetime?

Do you have any type of Fear ~ i.e. flying in an airplane, basements, heights, swimming in deep water, being around animals, tight spaces or more?

Do you feel a strange energy around those in your place of Employment? Are there constant situations or drama with particular co-workers that doesn't get resolved?

Are you in constant and chronic pain, though every time you seek medical treatment, they are unable to diagnose the issue or problem?

Are you in a Toxic Relationship, and/or is your Love life having ups and downs, and you can't seem to get the Constant Conflicts Resolved? Do you seem to repeat and/or attract the same types of relationships one after another, and feel as if You are the problem?

Do you have any types of Addictions, and have tried every treatment under the sun, and are still living with it?

Are you always in financial poverty, never being able to get ahead, and you remain in a constant imbalance of income?

Do you have low self-esteem, anxiety, emotional trauma, mental thoughts that are unkind and/or misunderstood, do you have self-sabotaging behavior?

The Above mentioned, are only a FEW symptoms of what many live through, on a daily basis. They cannot figure out a way to be **Released** of this, or even understand what the underlying **Root-Cause** of the situation or problem is.

* * * * *

Here below, are only a FEW thoughts and feelings that many wonder about, and are **Curious** of why they feel this **Connectivity**, pull or draw towards a Person, Place or Situation.

* * * * *

Do you ever feel Instantly connected to another being, like a kindred spirit, or that possibly you have been with this person or have known them before?

Have you ever had a Déjà vu with another person, place or situation? Have you ever traveled somewhere, and when you arrived, you had a sense of being there before, with a strong familiarity?

Are you attracted to a certain Time-Period of life, i.e., the Roaring 20's, the Roman Coliseum, Atlantis, Lemuria, Egypt and/or War times?

Are you fascinated with Science, the Power of Electricity, History, Medicine, Nature, Cosmology, Engineering and more?

Do you see Repeated **Number Sequences** over and over, and wonder why or what the meaning of these numbers are to you, and how they connect to your life?

Do you ever feel that there is Something more in life that you are supposed to be doing, though you Just can't put your finger on what it is?

Do you feel super connected to Soul Groups of the same interest?

All of these questions can be answered one-by-one, through the **Review** of the **Akashic Records** as the **Soul** is **Ready** to be **Revealed**.

Some may want to know everything all at once; like the What, Why, When, and Where about of the Life-Event.

Through Years of Practice and Study, I have Personally learned that **Everything** happens in Impeccable timing.

Some want to **Review** and **Receive** all their Karmic Records at once. We have to remember that our lives did not happen all at once, and there are many **Layers to be Lifted** to be able to **Review** and **Reflect** the Story being shown.

If **Karmic-Lessons** have not been fully Lived out yet, and the **Record** is still Playing, then we typically will have to finish the Lesson being Lived out, before the whole story can be **Reviewed** and **Released**.

Bits and pieces are Always shown, and it is important to let the Karmic Lesson be Completed, so that we don't ever have to **Rewind** and Play it over again.

We must also remember, that usually we are not 'alone' in this **Records Review**, and that others around us are a part of this past too. So, if they haven't completed the same book you are in, then the Completion and Sealing of the Records may take a bit longer.

All of this may seem a bit complicated, though it really isn't.

In our Past, we seemingly had to wait forever for the Cycles of time to Reincarnate us back into another lifetime, to only try the Lesson over again.

We have had to come back to the **Earth's Stage**, and **Play the Act and Role** again, as **Practice makes Perfect**.

We are in a God-Speed of Energy in this Lifetime and most of those seeking the Soul's Truths are **Ready** and Willing to **Remember, Review, Release** and **Receive** Now.

The **Karmic Council** is **Constantly** with you, overseeing and Energetically working with you in your Assistance to Clear these **Records in Review**. We want to clear this now, so we don't have to come back and do it again.

Are you ready to Understand and Discern the lingering Questions that you have regarding your **Life's Records**?

When we **Read**, and **Review** your **Divine Soul Blueprint**, we don't just leave one in the **Mystery** of it all, and leave you stranded to figure it out on your own, we assist one to find their **Mastery of the I Am**.

We help you to **Remember** your Story, and to make the **Coded-Connections** from your **Past Life**, as to what is the most Pertinent information needed of this life time, of its **Reveal**.

After one is **Remembered**, there is an **Activation to Assist** you through the **Release** of the Karmic Situation.

We offer **Transmissions** to open and **Activate** the Seven-Seals, also known as chakras, which may be holding **Memory in Motion** (looping) to be released, so that one may Increase their life with an ability to **Heal** and **Balance**.

After the **Review** is Finalized, we help you to learn how to **Receive** through the **Keys of Self-Mastery**.

Many have said, that the instant the Old Karmic **Record** is **Released**, the Benefits of **Receiving** is quickened. While others still have **Records of Repeat** that are so deep,

it may require more **Layers to be Lifted**, and as we mentioned earlier, “**Timing is Impeccable**”. *Rome wasn't built in a day, and neither were we.*

The Akashic Records **Remember ~ Review ~ Release ~ Receive**

Clearing the old **Records of Past** is a first step to Healing.

Reviewing & Releasing Karmic Records and Memory still connected to the current incarnation and its effects, begins to Heal past life issues, emotional traumas, memory looping, illness, dis-ease, energetic misalignments and more.

Remembering the Soul's Contract to a Point of **Release** and its old Energy bounded by Memory is important to let go, so that the Soul can begin to ultimately **Receive** in this Current Incarnation, to that of what is most Pertinent to one's Healing and Balancing of their **Life-Records**.

Benefits~

When one “finally” gets to the **Root-Cause** of the Problem or Situation, there is always an immediate sense of **Relief**. The Embodiment's System is very Intelligent and only wants you to be Happy and Healthy. **Releasing is the KEY.**

This **Key of Release** is our Confirmation.

The **Root-Cause** is no longer growing with pain, anxiety, illness or problems that were once overriding the current Life to Live Freely.

Once we **Release** and **Receive**, we get that moment of ah-ha, I get it now.

Once the decision has been made to fully **Remember, Review and Release**, the next **Key is Received** to open another New Door, to a fulfilling and Rewarding Experience.

Once Confirmation is **Realized** from within the **Soul's Spirit**, many feel as if they have **Moved a Mountain**. Feeling this **Release**, they sense walking through a **Gateway of Goodness** offering freedom and **Awakened Abilities**.

After the **Review** of the **Record** has been **Cleared** and **Completed** of the **Old Programming**, there is still a **Commitment** of **Peace** one needs to obtain to Keep their Record Free; thus, allowing the person to Move forward, and live without any **Debilitating Debt** of Karmic Past.

As a Visionary and **Librarian of Light**, Mary has been **Receiving** Other's **Akaschic Records** to **Review** and **Read**, since she was a little girl. She couldn't deny what was being shown and/or lived. Though she didn't quite understand at the time what was being **Revealed**, she *continued* to be Open and **Receptive** to **Receive**. *It has taken her Decades to Discern* the ins-and-outs of this Amazing **Library of Light**.

In in a Continual Dedication, she has Committed her life to **helping others help themselves**, by opening the **Akaschic Records** from the Shelves of their **Light-Library** to **Remember, Review, Release** and **Receive**.

Testimonies

I find it so interesting how with all of the spiritual activities going on, I have not felt the urge or push to attend any of them; And now your work, which suddenly resonated so strongly with me that it was as though my guides were making it impossible for me not to be there. I have been receiving your newsletters for months and all of a sudden with the last one I was compelled to schedule the **Akashic reading** with you followed by a strong urgency to not wait, but to receive my activation now and to learn more about the activations. Of course, there were moments when I wondered why couldn't I just wait? What's the rush??? But those thoughts were immediately crushed by the intense urge to just go and not be concerned about the impracticality or urgency.

I can honestly say that by attending the session was one of the most important choices I've made in my life. I can't intellectually explain it but I know in my heart that I received a special blessing from you and the Ascended Masters and your helpers. You give of your heart to assist others on the path that is the beauty of it, the giving of your time and energies with no thought of anything in return. You help from the heart... And God takes care of the rest. Wow that is what it's all about! I love that! That is Faith, that is Trust, that is Truth, and that is Love... thank you, Mary!

Divine Blessings to Thee
