2024-2025 Annual Business Sponsorships

Hawthorne Scholastic Academy (HSA) is a magnet school in Lakeview that draws over 500 students from all over the city. Our PTA provides funding for a wide range of expenses and programs that enables close to 98% of Hawthorne's budget to go toward teacher and staff salary. Financial assistance is essential for technology, teacher supplies, arts programming, athletics, field trips, community activities, as well as staff and administration needs.

Company Matching for Maximum Impact

Did you know that many companies have matching gift programs in place to amplify their employees' charitable contributions? This means that the gift you make today could have twice the impact, producing an even greater difference in the lives of our students and staff.

To explore the potential of matching gifts and find out if your employer participates, contact your company's human resources department. We appreciate your effort to ensure that every dollar you contribute has the maximum impact.
