

Addendum to: FAQ for Distribution of Varieties Outside of Saskatchewan

How do growers outside of Saskatchewan benefit from the new licensing of varieties ?

By licensing the distribution of these varieties outside of Saskatchewan, SPG is ensuring that growers in other provinces have access to the varieties developed by the Crop Development Centre.

Can Alberta-based seed growers sell seed to growers in Saskatchewan?

SeedNet grower-dealers and members may sell into Saskatchewan but must still collect the royalty payment due and remit it to SeedNet. SeedNet will refund the royalty payment to the grower and retain the administration levy.
