## Celebrate Law Day in our Schools

### Lawyers in the Classroom/Judges in the Classroom

*A partnership of the Louisiana State Bar Association, Louisiana District Judges Association and the LCLCE*

Law Day is being celebrated during the next few weeks. Teachers and school administrators interested in having a judge or lawyer visit your school - contact us! We will take care of all the arrangements.

Schools requesting a Law Day presentation or career day participant will be matched up with volunteer lawyers and judges from their local community. This is a free service and a great way to honor Law Day and law related education in your school.
