President's Message

Another month has come and gone, which means we are that much closer to our Regional. Everything seems to be moving along in fine order. We have hit a few potholes along the way but everyone has pitched in to get ourselves through them. Today in the mail we received our paper work from National for our insurance. Don't forget to make your own reservations at the Hotel, and to send in your registration form. It is starting to fill up.

The weather is starting to get nice, which means we'll be spotting "little birds" real soon. Watch your newsletter for the upcoming events. I know that besides the show there are a lot of nice outings planned for the Spring. On April 26th we have a "Night at the track" which promises to be a great night out.

Please remember to RSVP the hosts of the meetings, whether it is a Regional meeting or a regular club meeting. It really helps them to plan.

See you down the road,
 John Kefalonitis

Please check our **CONVENTION MEETING SCHEDULE**. Do not mix it up with the regular schedule. The meetings will be the first Sunday of the month at 4pm. Hosts are urged "Not to make the refreshments extravagant" stick with sandwiches or finger food. **NOTE: Convention meetings ARE open to all members**

RSVP MEETING HOSTS NO LATER THEN 1 WEEK BEFORE A MEETING, YES or NO

A few words from Alec

Now that it appears that spring is finally here it's time to get our little birds on the open road for every one to see and enjoy. Our regional will be here in a few short months, so please contact someone on the committee and find out what you can do to help to make the convention as great as the one's that our club has hosted in the past.

Happy Motoring, Alec

Vice President's Message

We have had big turn outs at our last couple of meetings as the Convention gets closer I hope this trend will continue. Everyone is welcome to the regular meetings and the Convention meetings. AGAIN PLEASE RSVP YOUR HOST(S) or there may not be enough room or food for everyone.

The new roster is included with this newsletter. I have asked for updates and changes for the last few months, so if there is any incorrect entries, it is because I not being informed of them. Please let me know of changes or corrections. I will put them in the newsletters and then everyone can update their roster.

Let's get out and spread the word for the convention.

Pat

Any items you want us to publish in the newsletter must be received before the 20th of the month they can be e-mailed directly to me Pat LeStrange rolodexp@aol.com
