AIRPORT TRANSFERS

Please make sure you have pre booked as Summer Breeze do not arrange these. However we do have some suggestions of companies that you can book with by clicking the links on the travel page of our website. These companies will provide shuttles or coaches.

WRISTBAND COLLECTION

You will have had your booking confirmation emailed to you, make sure you print this off and bring it with you. Wristbands can be collected from the Summer Breeze rep who meets you on arrival at the resort.

BOAT PARTY & BEACH BBQ

As most of you know the Boat Party & Beach BBQ both sold out in record time! However if you would like to be put on a cancellation waiting list simply complete the Boat Party booking form on our website.

Payment is made locally in Corfu at the welcome meeting which is held before the opening pool party, or by visiting the office. Here you will be able to make your payment, collect your ticket and secure your place on this year's Boat Party!

The Boat Party departs from the jetty at 10.30am, for the sandy beach at Kalamas on mainland Greece, where there will be a freshly cooked BBQ. We then set sail to the world famous Blue Lagoon for some swimming and Champagne diving into the crystal clear blue waters of the Ionian. Then it is off to visit the Greek caves while you party on the boat to the soulful vibes of the Summer Breeze DJ's.

After a sun drenched day of partying, drinking and catching some sun out at sea we return back to the resort at around 17.30. The on-board bar is open all day for the purchase of beers, spirits, cocktails, soft drinks and bar snacks.

FINDING YOUR WAY AROUND KOKINIA RESORT

Getting around locally: Konkinia is a relatively small fishing village adjacent to Pantatika in the Province of Kavos. You are unlikely to be more than a short walk or around 5 to 10 minutes from all amenities, the beach and events. Taxi's and a local, reliable and cheap bus service are readily available if you require them. The bus service time table can be found at the bus stop outside The Fountain Bar.

A visit to the local town of Lefkimmi is well worth a trip. The town has a number of cafes and places to eat situated along the canal and some excellent local bars for a relaxing drink, although mainly the town is geared towards local living and not tourism. Lefkimmi has some lovely architecture, picturesque squares and some beautiful churches worth visiting.

CURRENCY & CASHPOINTS

Local currency is the Euro: Fortunately for us Corfu is reasonably cheap compared to many other European destinations.

ATMS's & Banks: There is an ATM outside the gift shop opposite 'The Oven Pub' pizzeria and one outside Naos travel. There are several others that can be found around the resort. There are no banks in Kokinia or neighbouring Kavos. You can change money in most of the local travel agents.

A GUIDE TO THE RESORT

You may have researched Kokinia or simply asked someone who has already attended Summer Breeze what's there is to do outside the events and parties. So we have put together a guide for you when you're not off dancing to your favourite DJ. Corfu has much more to explore outside of what's on your wristband.

PLACES TO ESCAPE/RELAX

Home

.....and that's exactly what it looks like from the outside, somebody's home with tables and chairs set out on its patio. Great for early morning coffee or late night drinks, while enjoying a great selection of Jazz inspired Soul.

FOUNTAIN

You can't miss this bar as it has a great big fountain outside, hence the name. You can lounge on the chairs in the bars terrace throughout the day into the early hours while indulging in craft cocktails, cold draught beers, milkshakes and a range of ice cream, snacks and coffee's.

SWEET HOUSE

Panos and the team at Sweet House have been delighting clientele with his savoury and sweet crepes, pastries and pies for many years. This season they are adding to the already busy menu a range of affordable gourmet burgers and a choice of fresh pasta dishes.

LIKOURGOS

You'll notice that Likourgios is right next door to the daily pool parties. What you should also know is that by night this family run restaurant services great local dishes and world cuisine al fresco in the tranquil settings. Located on one of the prettiest shorelines in Southern Corfu with a great view of mainland Greece. The locals use this restaurant a lot, a testament in itself.

THRIFY BITES

PULSE Main Street, Kokinia, 490 80, Corfu, Greece

The menu might be obvious but if it's an unassuming low priced option you are looking for, this may be the place for you. Crepes with healthy fillings, fresh juices, breakfasts, burgers jacket potatoes, pasta dishes, pizza baguettes and pub favourites including steaks and chicken dishes are served all day long at this friendly well-kept café bar that transforms into a sports bar as the day continues.

LATE NIGHT BITES

LOLA'S Main Street, Kokinia, 490 80, Corfu, Greece

There are several places where you can eat late at night as you make your way back to your hotel, so the choice is yours. Lola's has been the meeting place for hungry staff these last few years. The gyros, souvlaki are a great way to fill up. We know it as Lola's though what the actual name is outside we are not sure of. It's always late at night when we follow the crowd there.

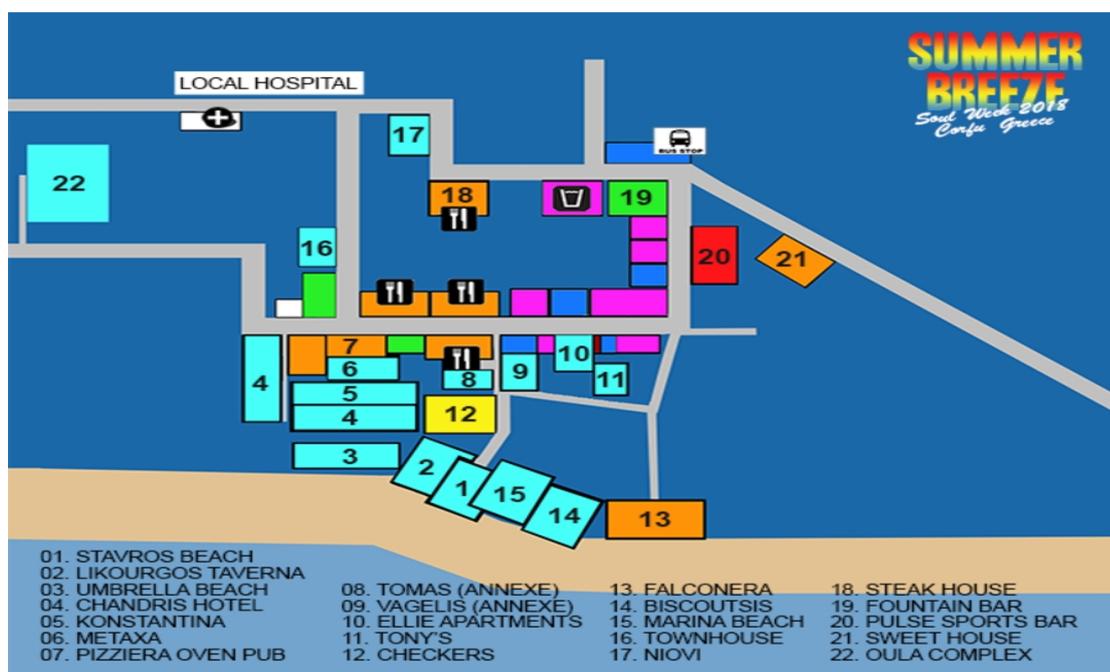

All the bars and restaurants listed come recommended by visitors to Summer Breeze over the last four years. We listen and make notes. It's not a definitive selection of all that's on offer and there are a great many more restaurants and bars to be found, including some excellent tavernas on Main Street. The easiest option is to ask others that are returning this year or visit wherever takes your fancy.
