On The Court believes that athletics are a vehicle to provide children with an opportunity to grow and create new possibilities in their lives. Our programs build self-confidence, improve self-image, and encourage family involvement. Each child will develop sportsmanship and athletic integrity, and gain an understanding of the game of basketball.

**Also look for OTC in the Branchburg, West Windsor-Plainsboro, Robbinsville, New Providence, Princeton and Warren school districts and at the Bridgewater JCC.**

*Real basketball for everyone...*
