

We remain focused on staying safe!

Social distancing

If you don't feel well or have had a fever within 24 hours before your appointment...or have been in close contact with anyone diagnosed with COVID-19 within 14 days, please reschedule. A quick health survey may be asked.

Maintain 6' Distance!

Let's save shaking hands for another day!

Please wear a mask

Clients and employees will need to wear a mask at all times. You may unmask in a changing room & when photographed (subject only). Hand sanitizer is required upon entering. Hand wash before leaving bathroom; as well as sanitize before & after entering the photography studio. Sneeze or cough into a tissue or your elbow if needed.

Other Safety Measures:

- Please enjoy your car as your waiting area.
- All persons entering our office must have an appointment, and take a brief health survey.
- Appointments scheduled based on social distancing standards.
- Clients are allowed one additional person per appointment
- Plexiglass shields have been installed in the lobby.
- All three main areas of our studio are provided with True HEPA air purifiers to remove airborne particles.
- Changing rooms are sanitized between all sessions.
- Seating areas, photo albums & magazines have been removed for less touch environment.
- Pay by phone for contactless payment.
- All employees will self assess health wellness daily.
- Employees will hand sanitize/wash with each client.
- Designated sink for employees.
- Toilets for employee use only.
- Client garbage & drinks left outside.
- Signage throughout studio with reminders.

*Stay Safe
and
Healthy*

Sanitizing is the Key!

We have purchased a Certified Clothes Sanitizing Care System. All studio-provided caps/gowns, tuxedos, drapes, shirts, ties & more goes through a sanitizing cycle after each use!

Our Promise...

We will stay up to date on SCC public health orders related to COVID-19 & revise protocols as needed. We pledge to stay safe and provide the utmost care in cleaning and sanitizing.
