Sexual Abuse/Trafficking

~ Spiritually Adopt a Trafficked Child – December 16, 2017

synopsis:

- Clare: a shut-in Heartdweller had a vision/experience with the Lord concerning sexually abused/kidnapped children.
- He saw more and more children being brought to him in the spirit, and he was loving them/caring for them.
- Jesus: I want you to spiritually adopt these children. He goes on to describe the horrific conditions they are put into and the horrible abuses they endure – many dying in the process.
- Clare left a link to a video detailing how some of this occurs: <https://youtu.be/ljrse4s1U> What Happened To The Girl Next Door?

Christmas/Holiday

~ Avoid A Contaminated Christmas – December 2, 2017

synopsis:

- Clare: I told Him **how dry I felt** and I missed Him.
- Jesus: **You've been in the world, Clare.** It strips you of that sweet, spiritual coating that surrounds and protects you and so the world is grating against your spirit. The more time you spend there the more you lose your orientation. You linger out there, because it is disorienting and so many things nail your attention. Precious babies and kitties, fascinating titles and stories. Oh, it is so seductive!
- It is best for you to pray protection over your time there, because the forces on the Internet, **the unseen forces on the Internet, are very psychologically powerful.** Forces you know nothing of, but your soul is exposed to.
- Thank you for praying, Heartdwellers. **My Father is listening most intently to your requests.** Keep them specific and numerous, for My Spirit is speaking to the hearts of each one and placing there a vital concern for your intercession. Your prayers are working.
- So much is going on behind the scenes that you know nothing of right now, but in the future, **you will see corruption was broken open from November 29th to December 20th.** These are key dates to remember when actions were taken. You will see that much you are praying for right now has been answered. It is important for you to see this to understand that YOU make a difference.
- **Your President is doing precisely what I have asked of him,** and each day he draws closer and closer to Me, understanding My ways and My wisdom. This, too, is because of your prayers.
- About Christmas: **Please do not detract from celebrating My birth by making it a materialistic free-for-all.** Please honor Me as the center and teach your children, by example, holy values.
- **Clare describes some of the traditions she and her children had when they were growing up.**

~ Invitation From a Lonely Jesus – December 26, 2017

synopsis:

- Clare: on reflection, **she realized that she didn't feel 'good' about her and Ezekiel's Christmas** celebration. Family was there – and she starkly saw the difference from times when they ONLY spent time with the Lord/each other – and this year, where she planned a dinner and gift-giving with children/family.
- **Oh, how I can relate with Paul**, "...For in my inner being I delight in God's Law. But I see another law at work in my body, warring against the law of my mind and holding me captive to the law of sin that dwells within me. What a wretched man I am! Who will rescue me from this body of death? Thanks be to God, through Jesus Christ our Lord! So then, with my mind I serve the law of God, but with my flesh I serve the law of sin. Romans 7:22-25
- **I was caught in a real conflict in wanting to make Christmas a special occasion on the level my children could enjoy, but still keeping the essence of this night and celebrating the true meaning.** And the deeper issues in my heart that didn't have anything at all to do with food and gifts, but with the very meaning of life and the tremendous event of His birth.
- **Jesus: Loneliness. Loneliness**, Clare. As everyone goes about their celebration, they forget Me. This is a deliberately planned and executed move on the part of our enemies to hijack the true meaning of My birth and make it into an orgy of spending and eating and acquisition.
- **It is not too late for you, My dear ones, to take the time to meditate on the lowliness of My birth** and reach out to Me for the sweet graces of contemplating My incarnation. Come then, My dear ones, much of the hustle and bustle of preparation has been completed and now I invite you, in the privacy of your homes, to spend time with Me in the manger. My heart longs to impart to you the wonder and miracle of My birth. Come and rest a while with Me.

Climbing the Mountain w/Jesus

~ Stand Firm—Evil Days Are Ahead, But Short-Lived – December 11, 2017

synopsis:

- Jesus: **"Stand firm. Evil days ahead, but short-lived.** I expect you, My Bride, to stand tall in Me and be ambassadors of courage and faith in the face of contradictions and loss. Your lives do not depend on what you eat, where you live, what you wear or what you drive. They depend on inner resolve and integrity, so you do not sink down into the mire when you are challenged by difficult situations.
- I will be with you in the coming months and I will continue to hone and perfect you as we **climb the mountain together.** Some of you will get stronger; others will fall by the wayside. Whatever your choice, remember you are still Mine and I will never desert you or leave you on your own.
- I am with you, even when you must step out of the fires of purification. I am still with you.
- Clare: recounts story of missing purse, and a distraction she 'fell' to.
- Story of St. Francis of Assisi and the Young Monk

Ezekiel Dreams/Visions

~ Dream: The Millennial REGENERATION! Co-Creating w/ God – December 9, 2017

synopsis:

- Clare: Ezekiel had a **prophetic dream**
- Ezekiel: described being in a newer office building with broken-out windows and destruction, and the building began self-restoring. The air, sky all around was fresh and clean and all things starting to 'repair' spontaneously. The Lord led him to understand that he was seeing the Millennium.

Faults, Seeing Them in Ourselves

~ Come to Me with Your Failures & Compulsions – December 28, 2017

synopsis:

- Clare: I had a beautiful time in worship, but felt a little distance – because I had been 'naughty'. I think we can all relate to that...
- Jesus: Even when you are naughty and I have to correct you—especially then—I **will love your will into submission for your own good**. I will draw you with cords of kindness, and cover you with My mercy, I will quell your aching and guilt-ridden soul, forgive you and raise you back up. These are the things I will do for all My children who go astray. I will not beat you. I will understand and be loving, kind, supportive. No need to run or hide; I am waiting to heal your transgressions.
- You can beat a soul into submission, but that's slavery and **I paid a very high price for your free will**. I will not transgress it. But I will coax you into understanding that Love conquers all, even your worst faults and habits. Even your compulsions can be conquered.
- As long as there is breath in you, My people, **there is hope for a new and better life without the bondages you have been fighting against all your lives**.
- Yes, **some have evil spirits that are allowed to buffet them**, even as Paul did, because of the privilege of understanding the things of God—lest he become puffed up with his knowledge.
- **I am not saying condone or ignore evil**. I am saying show mercy to your brothers and sisters who struggle against their faults. Cover for them as I cover for you.
- But you will find that **the more charity and mercy you show to others who have faults, the less you will be tempted by the enemy**. Why? Because I will protect you, for you have shown mercy and kindness to others. I will protect you from temptation.
- **All I need is your consent, and the effort not to judge others for their failures**.

Holiness

~ You're So Much More Than Beautiful – December 3, 2017

- **The closest you have ever gotten to what I consider holiness was with St. Francis**. That was as pure as it comes. Everything, every form of what others call holiness, degenerates from there. I want you to understand. My ways and man's ways are lightyears apart.
- I am more concerned with the soul that is totally broken before Me, and this is where you have been going. Truly, it is not about the miracles. **Truly it is about humility of heart and hearts that are one with Me**.
- Well, what I wanted to say to you is **not to envy or exalt those who are in the public eye**; and fame does not qualify one to be My friend and Bride. Holiness of life does. It's not important for you to know who qualifies—that would lead you into sin. Rather, be content with your lowly station and protect it. (full synopsis under **Spiritual Beauty**)

Internet

~ Avoid A Contaminated Christmas – December 2, 2017

- Jesus: **You've been in the world, Clare.** It strips you of that sweet, spiritual coating that surrounds and protects you and so the world is grating against your spirit. The more time you spend there the more you lose your orientation. You linger out there, because it is disorienting and so many things nail your attention. Precious babies and kitties, fascinating titles and stories. Oh, it is so seductive!
- It is best for you to pray protection over your time there, because the forces on the Internet, **the unseen forces on the Internet, are very psychologically powerful.** Forces you know nothing of, but your soul is exposed to. (full synopsis under **Christmas**)

Israel

~ CRITICAL TIME!—Coming Financial Changes—Israel – December 7, 2017

- **Also, President Trump officially announced that we as a country are supporting Jerusalem as Israel's capital, and moving the US Embassy from Tel Aviv to Jerusalem.** (full synopsis under **Donald Trump/and the Deep State**)

Jesus

Suffering

~ You're So Much More Than Beautiful – December 3, 2017

- **And I suffer. Suffering is not taught in Christian circles.** You are one of the few who truly addresses it and how important it is to Me. There is SO much missing in the churches today. SO much. Did I not say to those who did miracles in My Name, 'Depart from Me. I never knew you.' (full synopsis under **Spiritual Beauty**)

Money/Gold/Finances

~ Buy Gold? Lazarus & The Rich Man – December 15, 2017

synopsis:

- Clare: giving assurances that the Lord asked THEM to buy gold for the sake of the poor they support. **EACH need to determine with the Lord what to do.**
- **Don't let it draw you into 'gold fever'** – making money just for the sake of it.
- Testimony of a Heartdwellers who was assured by **the Lord that He will take care of them.** This is the attitude we all must have in this time.
- Jesus: **My darling Brides, you who have chosen to rest in Me have chosen wisely.** You, who I have entrusted with provision for the poor and have obeyed, have also acted wisely. As wealth increases, you are setting your heart on Me and My needs. This indeed is commendable.
- **But for those who are thinking this is an opportunity to join 'house to house'—woe to you,** I say. For you have not provided for the day you will stand before Me and make an accounting of what I have allowed you to earn. You have not accumulated this wealth on your own.
- **I am giving you a chance now to reform your lives.** Stop living solely for yourself and your family and consider My needs as well. It is not too late for you, but the day is coming when it will be too late and you will be devastated by the consequences of your selfishness.

~ **CRITICAL TIME!—Coming Financial Changes—Israel – December 7, 2017**

synopsis:

- Clare: doesn't normally get involved with the news, but this is an **update on the message about the Deep State a week ago.**
- **Your prayers are REALLY working.** Praise God! Don't think for one moment you are 'just a little soul' praying. As a matter of fact, the littler you are, the purer you are, the greater the weight of your prayers for our nation—for Our Heavenly Father loves the humble, the meek, the little and the pure.
- The Lord confirmed what happened and called us into prayer and fasting to protect the president and pray that the criminals would indeed be revealed and be brought to justice.
- **Update for today:** The Marines have proof that Bush 41 ran the CIA operation that killed JFK. That Hildebeast Clinton had Vince Foster and JFK Jr. killed. That Hildebeast stole 20 million votes and 6 states. That Obama was born in Kenya and Senator Cruise was born in Canada. That Gore won the 2000 election and Bush stole votes in 6 states to win. They know who ran 9/11 and it was an inside job. They also know who in the MSM Main Stream Media are on the CIA payroll (big names).
- "The Marines also know who the pedophiles are in the US, China, and Europe. Putin took care of (executed) the Russian pedophiles, which is one of the reasons Russia is the target of the MSM scorn. It's coming to a head, it should be an interesting two weeks." My source said.
- Now, I need to tell you that **the Lord has instructed us to buy gold.**
- The information from our source says that it is very likely **the crash everyone has been waiting for will happen January 1, 2018.** If it does, the Federal Reserve will be shut down, and all the money you have in the bank will vaporize along with retirement funds and stock investments and perhaps bonds.
- So, with what little we have, we are paying our bills as best we can a little ahead so we don't lose anything. And taking the rest to pool with a group to buy gold. **The possibility is that Trump will set the gold standard at 5 or 10 thousand dollars an ounce.**
- Now, I HAVE NEVER been told to do anything like this before, Heartdwellers. Never. I am not shifting my reliance on the monetary system, by the way. **I am obeying the Lord, who knows everything that needs to be known about what will soon take place.**
- Jesus: It will **not happen all in one day.** Just like the real estate crisis, it will begin in one day and end in one day, several months later.
- **This is part of My cleansing of this nation.** This is a wakeup call to My people who are sitting on the fence. It is time to get your souls in order. This is not just about money, it's about a decadent people who have forgotten Me. No longer will one group of Christians be alive and the other dead.
- **It will not be all that disastrous, as you first thought, because it is true: your president is expecting this and has prepared for it. This will not take him by surprise.**
- Oh, My heart aches for those who do not know better," He continued, "and **have been so lazy, refusing to read the signs of the times.** Oh, how I ache and hurt for them. It truly is a harsh measure to bring them into a state of awareness, for they have chosen to sleep though many things they should have been aware of.
- **Clare, this is only temporary.** Everything will bounce back in a few months; timing depends much on your prayers. All of your prayers.

- **First and foremost is prayer and support for your President**—he will not lead you astray. He will lead you out of this collapse if you pray and follow him. Encourage others to follow him and to stay in prayer. Much will depend on how much you stay in prayer, fast, and give.
- **It is going to be a slow, increasing depression until the system rights itself.** It will put a hole in the president's economy, but it is going to bounce back. As I have told you before. Rest in Me. Trust Me. It's not going to be as traumatic some have presented it, who want to sell their schemes.
- "Nevertheless," He continued. **"Turning your cash into gold is still the right thing to do until the system rights itself."**
- **Also, President Trump officially announced that we as a country are supporting Jerusalem as Israel's capital, and moving the US Embassy from Tel Aviv to Jerusalem.**

~ IN GOD WE TRUST – December 8, 2017

synopsis:

- Clare: **MANY have over-reacted to yesterday's message** about the pending stock market crash. I am writing to remind you to remember what JESUS told us: TRUST Him!
- **The president is well aware of everyone's needs and I believe has prepared a solution for this that will take care of everyone.** The dollar is again going to get strong and be a world currency, but I don't believe it will have Masonic symbols on it. I believe it will truly be a "In God We Trust" design and reflect the Christian principles that are now reforming this nation.
- **THE LORD IS GOING TO TAKE CARE OF US.** He is telling us these things now so we will not panic and lose hope. Thank Him for warning us, and let's all pray and support our president when the time comes.
- Anyway, I want to say—I am not promising you that this is going to happen on January 1, 2018. I am telling you it is going to happen at some time in the foreseeable future and He wants us to be prepared now. **That is why He is telling us to turn our discretionary cash into gold.** There are many different forms of gold, but APMEX seems to be the established standard that can be trusted. And it's sold at Walmart, too.
- **But don't panic,** just do the reasonable thing. Pool your resources with your family. And He may be telling us now, because we have more time than we think to prepare.
- **Remember, this president is going to take America into an unprecedented time of prosperity.** So, this is only temporary. It's an adjustment in a very corrupt system, that's been around for a long time, and has done a lot of damage. And is controlled by the Deep State. I'm sure that President Trump doesn't want them to have their fingerprints on anything that belongs to this nation. Period.
- **Repeat from this point of Dec. 7th's message from the Lord.**

Music Genres

~ You're So Much More Than Beautiful – December 3, 2017

- Ezekiel kept hearing a **Michael W. Smith song** over and over again, "You Belong to Me." Then he saw Jesus singing that song to me. (full synopsis under **Spiritual Beauty**)

Prayer

Alerts

~ Cover Your Nation with Prayer – December 19, 2017

synopsis:

- Jesus: **Your people are praying, and for that reason they will prosper**—and I do not mean in terms of money. I mean a life free of worry. The kind of worry that overtakes a people when an unrighteous man rules. Let the unrighteous be done away with. Let them see the spectacle of justice being carried out. Let them hope in Me for a time of faith and good works. I have sent my angels forth and they are overturning the coffers of the wicked, they are bringing to nothing the plots of evil men, and in fact, instituting what is righteous and good in the land.
- **But more prayer is needed; this is not a time to back down.**
- **I want to see justice meted out** and propositions to save the weak and the needy, the elderly and the wounded, the young and the mothers implemented. A society filled with justice, where corruption is not the norm, where corruption is not tolerated or explained away.
- **When prosperity becomes so distracting that prayer takes a back seat, that's when you should begin to sit up and take notice.** The distraction of abundance will again bring this nation down, because it is human nature to grow lax in prosperity.
- **My heart is for the Muslim people.**
- So, you see, **you are not only praying for peace in your nation, but around the world**—that each country would wake up and boot out the unrighteous governing forces and tend to the poor and vulnerable among them.
- Clare: **tells of vision from several years ago** about the Mahdi, Bin Laden and cobras being released by the mosques around the world.
- My heart is for all men to recognize their need for Me and abandon the ways of violence, that I might bring them into My Kingdom of Love and Justice. **Without love, justice is only an illusion.** These are evil days, yet filled with hope.

~ **Obama, Bushes Declared Domestic Terrorists PRAY! – December 16, 2017**

synopsis:

- Clare: received another **update about the Deep State**
- Both **Bushes, Clinton, Obama, Hillary** and others have been declared domestic terrorists with extreme prejudice – which carries with it one trial with no chance of retrial – and a sentence of either hanging or firing squad.
- **\$113 trillion have been seized** and will go into the US Treasury and the deficit paid off.
- They have shut down those starting the Cali. fires.
- **The Deep State is trying to pull off another 9/11** – we need to pray against it.
- 9,500 indictments have been served by now.
- Upon the reconsolidation of all assets, the Federal Reserve money will be taken out of circulation and replaced with United States of America currency. **This new currency will be back by gold.**
- **URGENT PRAYER AND FASTING NEEDED NOW!**

~ **Prayer is Critical to Bring Justice – December 21, 2017**

synopsis:

- Jesus: **We are not past the critical point yet, Clare.** I am still needing everything you and My people can offer Me. The situation is so highly critical and I am counting on the love and fidelity of My chosen ones to back this up and bring it to an outstanding conclusion.

- **When I was ready to take you in the Rapture last year**, so many around the world were hungering for Me; confused, broken, alone, ravaged by the wars, ravaged by the contradiction of their faith. It would have been a good time to wrap it up.
- But I saw that **the American people were beginning to wake up** from their slumber. Remarkably, many were beginning to listen to what they tagged before as 'way-out conspiracy' fiction.
- **It is most serious, My people, most serious.** And prayer will swing the pendulum over into success and justice being served. Ask Me for the burden and I will give it to you.
- Do you see, Clare, the extent of the wickedness on the Earth? **Is it not a miracle of Mercy that the Earth has not been destroyed by My Father's wrath?** It is because there are still the innocent and the lost crying out, and a great purging taking place in the Muslim community—which will eventually spearhead mass revivals, some of which have already begun.
- Clare: I had the sense, guys, that He was calling us to **take another look at what's been accomplished on the 10th of January.** This is just an impression I had. So, let's go for this as a prayer season—from now until the 10th of January. And let's look and see what our prayers have accomplished during that season.
- Clare: continued **to urge us to pray that those guilty would be exposed and caught,** particularly George Soros, one of the vilest of all.
- Discussed more information going to the **Outreach page** and a little more of our aid to the Nicaraguan children.

For Our Country to Withstand Evil

~ Praying Americans: THE GREATEST ARMY ON EARTH – December 22, 2017

synopsis:

- Jesus: I wish for you to know, My People, **there is no power on Earth greater than your prayers and fasting.**
- My Darling Clare, do not spend a lot of time trying to understand it all. The essentials are what I have given you and a few confirmations are very helpful, but **going any deeper is harmful.**
- I want you to **tell all your Heartdwellers that they are making a major impact in Heaven.** Even though you are SO small, your hearts are pure. Many, many, very pure hearts are part of this Channel and My Father is moved to pity when He sees a pure heart praying fervently for change. You have taught them well; purity is one of their greatest attributes. And of course, love. Brotherly Love—especially the love that sacrifices for Me and for the victims of Satan.
- I want to tell you, also, **your President is growing by leaps and bounds.** He truly is coming to know Me and to cleave to My wisdom above his own. You see, for many years he has been aware of My activity in the world, but did not have an understanding of Who I am. Much of that now is in the past, as he sees Me in action in his life: protecting him, leading him, making him aware of those things that no one knows, but are important to him to make connections. Yes, he is indeed a brilliant man, but still there is much out of his realm of understanding. That is beginning to change as he acts on what he knows is right. I continue to protect, guide and enlighten him. It's been quite a journey for him.
- Yes, these things have been going on under the American nose. **UN troupe bodies are all over this country and it is another clear and present danger.** But your President has acted aggressively to bring the infrastructure down, by targeting the leaders and funding they

surreptitiously removed from legitimate government departments, as well as drug and sex trafficking. This will not happen if you continue to pray. This will be checked, but it has been set and ready to unleash at the right moment.

- **Because of all of your prayers, there has not been such a moment.** Neither will there be such a moment before the Rapture, because I Am God and there is none other. And the greatest military force in the world is on American soil. And it's not armed with guns and bullets. It's armed with a heart for life and goodness and loyalty to Me. And it's on-their-knees praying Christians.

~ These Are Times of Great Peril – December 29, 2017

synopsis:

- Clare: Heartdwellers, the **Swamp is being drained into Guantanamo Bay Military Prison**, otherwise known as GITMO. There are still so many running free, though. Pray, pray, pray for their capture and conviction.
- **Today the UN is in negotiations with the City of Chicago**, to come into the inner city and bring law and order. Since when does an American city need UN forces to keep the peace??
- Clare, **these are times of great peril**, where one wrong move could instigate a civil war. But understand: the Deep State is not fighting President Trump or the American people; they are fighting Me. I will have My way with this beast. I will lay it bare and flail the flesh from its bones. I will leave it an emaciated corpse, even as it has done to the poor of this world. I will bring justice, and there will be retribution. I shall see its demise.
- **You are witnessing historical moves exposing sedition, anarchy, genocide, rebellion and Satanism** in its rawest form as it manipulates nations. It will manipulate no more. I am bringing it down.
- **When I do these things, some will recognize and turn from the error of their ways.** In fact, there are even those now who have genuinely seen the evil they have been a part of. This is always the very best solution to any evil: repentance and reform. Yet, there are those who are soul-less and sold out to Satan to the point of no return. Those I shall destroy and send to the place of eternal torment.
- Now it is time **to encourage your people to pray with all their hearts for the reforms** your president is putting into action. Now is the time to be sure you can vote and make your voice heard.
- **There is still much to surface, Clare.** The deeper it goes, the more rotten and corrupted the corpse. All must come to light—to wake up the sleepers, to see what they have so heartily endorsed because they listened and accepted without questioning or paying attention to their conscience, because it would cost them too much.
- **This is your reprieve, America.** Pray that it will make a deep and lasting impression on your people and the world. Pray for the courage to call sin, sin—and what is good and right, good and right.

Spiritual Beauty

~ You're So Much More Than Beautiful – December 3, 2017

synopsis:

- Clare: was **feeling distant from the Lord**, after a period of falls and stumbles...
- Ezekiel kept hearing a **Michael W. Smith song** over and over again, "You Belong to Me." Then he saw Jesus singing that song to me.

- **Still feeling badly about herself, she had a hard time accepting the lyrics.**
- Jesus: You ... resort to those things when you are feeling low and a little lost. When you perceive the spiritual life to be too much for you and you feel like you are failing. **Your eyes begin to wander to the familiar, and especially beauty and possessions.**
- **Oh, this is such a spiritual battle**—and it's not as obvious as a black panther pulling you down into the water and drowning you. It is far more sinister. I say 'sinister', because it is always done with your destruction in mind. It looks harmless and little, but behind it is a monster bent on destroying your soul and any good you could do for other souls.
- **The closest you have ever gotten to what I consider holiness was with St. Francis.** That was as pure as it comes. Everything, every form of what others call holiness, degenerates from there. I want you to understand. My ways and man's ways are lightyears apart.
- I am more concerned with the soul that is totally broken before Me, and this is where you have been going. Truly, it is not about the miracles. **Truly it is about humility of heart and hearts that are one with Me.**
- **And I suffer. Suffering is not taught in Christian circles.** You are one of the few who truly addresses it and how important it is to Me. There is SO much missing in the churches today. SO much. Did I not say to those who did miracles in My Name, 'Depart from Me. I never knew you.'
- Well, what I wanted to say to you is **not to envy or exalt those who are in the public eye;** and fame does not qualify one to be My friend and Bride. Holiness of life does. It's not important for you to know who qualifies—that would lead you into sin. Rather, be content with your lowly station and protect it.
- **Now, about beauty; true spiritual beauty.** When you are baptized into My death, you come up looking so different from the world. That is not to say that only those who look poor are holy. Not at all. It is detachment of heart from personal desires and gain that frees you. Because I have called you to be My Bride, I have also called you to exceptional littleness.
- It is a contradiction, Clare; **the littler you are, the more beautiful you are to Me.** The less you think of yourself, the more attractive you are to Me. As Mother Theresa once said, 'God likes little things best.'
- Clare, **you are beautiful to Me, because your heart is dedicated to Me.** The fact that you fall occasionally is only a sign of your humanity, if you get up immediately and keep going. I do not want you to talk down to yourself. I want you to be comfortable with your littleness, and know beyond a shadow of a doubt how precious you are to Me.

Trump, Donald

You will see that much you are praying for right now has been answered. It is important for you to see this to understand that YOU make a difference.

- **Your President is doing precisely what I have asked of him**, and each day he draws closer and closer to Me, understanding My ways and My wisdom. This, too, is because of your prayers. (full synopsis under **Christmas**)
