Awareness report was given by Karen, Hot Rod had some new suggestions that he would like carried out. A need to stay in touch with our Reps is imperative! The newly acquired awareness monies is the basis of our hard work and should be spent accordingly!! It is our job to make sure that they understand that!!!

Butch gave us his Legislative report. Phil Green and Shane Hernandez are our Reps. We need to stay in touch with them on our concerns! They are new and green to our concerns, we need to educate them!!! We are the ONLY Grass Roots organization that is complaining about the insurance reform bill!!!! Pop & Pizza will be done by the time you read this! We had six region 7 members go this year and I had some interesting chats with a lot of Freshman Reps and a couple Senators!! It's amazing what they DON'T know about the insurance reform bill!!!! The Pop & Pizza day is an expensive day for us but, it's well worth it if we have representation there!!

Shelby went over a few issues that she's come across on some memberships. If you have any issues with your membership, contact Shelby!! Also, DON'T FORGET TO GET SOME BIKE TICKETS!!!!

Motorcycle Safety Classes will be available, contact Butch.

Hope you didn't forget The TRIATHLON at Chizzies!! Jim and Marlene put a lot into this event, hope you show your support! June 5th is the FREEDOM RALLY in Lansing, hope you can ride down with us!! Then it's the State Field Meet in Wolverine this year! Then we had a discussion about impromptu rides to raise money for the organization, more to come!
