

Footprints Editor's Note: Marion County was formed and organized in 1823, and by 1825, the county had been divided into two election precincts - the North Precinct and the South Precinct. Two years later, the South Precinct was divided into the precincts of Walnut Hill and Romine. In 1832, the northwest part of the county was designated the North Fork Precinct. In the ensuing years, as the population grew, precinct boundaries were changed and new precincts established. According to Brinkerhoff's county history, at the March 1867 session of the County Board of Supervisors, there were then 16 election precincts:

Centralia	Central City	Iuka	Kinmundy
Salem	Walnut Hill	Romine	Patoka
Sandoval	Raccoon	Omega	Alma
Odin	Haines	Meacham	Foster

We question the total accuracy of this list of precinct names as the 1870 census listed only 9 precincts:

Centralia	Maguire	Sandoval
Central City	Walnut Hill	Raccoon
Salem	Odin	Romine

Brinkerhoff also wrote that at the aforementioned session of the County Boardin March of 1867, "The proposition to adopt township organization was again submitted and this time carried." However, matters evidently moved slowly as, again according to Brinkerhoff, it was not until 1874 that the Supervisors reported that the county had finally been divided into 16 townships:

T1N,R1E - Centralia Twp.	T3N,R1E - Carrigan Twp.
T1N,R2E - Raccoon Twp.	T3N,R2E - Fredonia Twp.
T1N,R3E - Haines Twp.	T3N,R3E - Pleasant Twp.
T1N,R4E - Romine Twp.	T3N,R4E - Omega Twp.
T2N,R1E - Odin Twp.	T4N,R1E - Patoka Twp.
T2N,R2E - Salem Twp.	T4N,R2E - Foster Twp.
T2N,R3E - Stevenson Twp.	T4N,R3E - Kinmundy Twp.
T2N,R4E - Iuka Twp.	T4N,R4E - Meacham Twp.

With two exceptions, these names continued up to the present - Fredonia was changed to Tonti and Pleasant to Alma. In 1896, the villages of Odin and Sandoval decided to go their separate ways and Odin Twp. was divided in half, the west half becoming Sandoval Twp. and the east half remaining Odin Twp.
