## AIN'T NOTHIN' NORMAL BOYSENBERRY

Our collaboration combines some of the best attributes of Night Shift's hop-forward beers with DESTIHL's kettle sours. We split this batch in two, brewing half normally and kettle-souring the other half. After both batches were united in one fermenter, we added boysenberry and dry-hopped with a bunch of Mosaic and Citra. The result is a clean, hoppy, juicy pale ale with subtle tartness. Cheers!
