Adoptable Pet

SPOTLIGHT

Meet Romeo, a 1 and a half year old neutered male Collie/Hound mix. He was originally adopted from the shelter at just 8 weeks old, but due to his high energy level, he wasn't the right fit for the family. He's looking for an adult-only home and would prefer to be the center of attention with no other pets. If you'd like to see him in action, he will be at the Erie Playhouse this December in the production of Annie! Romeo deserves another chance at proving he is the right fit. If you're willing to give this sweet boy a chance, please contact the ANNA Shelter. **814-451-0230.**
