

# THE THRONE OF COLUMBIA

Thus this study suggests that even the selection and naming of the streets within the core street layout of the *District of Columbia* serve an encrypted purposes to validate just who is in control and rules such a grid of power that comes, as it appears from the source of none other than Lucifer himself. The disciples of Lucifer are actually ruling the nations from within the shadows of the governments, often referred to as the *Deep State* or the *Shadow Government*. In the pasts, such a notion was called the *Invisible Hand* regardless of how a person is selected to become the U.S. President for example. Interestingly, a few have come from *Skull and Bones*. Even in their class photos they encrypt the *Masonic Compass and Square* as it is how the *Baphomet* is defined also. The other motif that has been somewhat alluded to is the pyramid that the *Pentagram* constructs. This study suggests that the 'broken' *Pentagram* can also and does render a 3-deminsional unfinished pyramid, much like the one that the *Luciferians* have on their fiat money 1 dollar bill in the back. The *Pennsylvania Avenue* and *New York Avenues* produce the base.

This study suggests that perhaps these 2 'Houses', 'Temples', or these 2 'Great Works', will converge on the same timeframe or period, even perhaps the very same year? It could be the case that it will be at that time that the disciples of Lucifer's 'Great Work' will come to fruition and they will literally build Lucifer a Temple.

As the disciples of Lucifer seek to finish the Great Work of placing their Prince, Lucifer upon the Throne of YHVH, that is the Ark of the Covenant, it is situated in the Holy of Holies. Most Masons are initiated in the 'light' out side the 'porch' of Solomon's Temple that is facing the open world for it to see and have 'nothing to hide'. These are often referred to as 'Porch Masons'. They have really no clue as to the depths of higher degrees beyond 33. Such disciples or 'initiates' are only selected to enter the Holies which contain deeper Luciferian secret magic arts. It is the Holy of Holies where only the very few are ever allowed in and to have interaction beyond the 'veil'. It is at this level of depravity that those involved in this Satanic cabal interact with the Fallen Angels directly.

The use of sacred Gematria and geometry to hid sacred lost knowledge in plain sight.

## THE THRONE OF LUCIFER

The Baphomet motif can fit approximately inside the pentagram where the flame corresponds to the White House of 'illumination'. This 'House; or Temple is in reference to the Temple of Solomon's Holy of Holies.
