**ABOUT THE HOME**

- Spacious chef's kitchen with GE Café appliances. Painted brick backsplash, Knotty Alder floating shelves, 36" Café Professional white matte/brushed bronzed range. Oversized island with Calcutta Quartzite.
- Acadia style home with combination of New Orleans brick and painted brick.
- Front porch has 3 mahogany double doors. Custom Redwood louvered shutters across front of home and gas sconce lights give this home a distinct Acadian flair.
- Open floor plan with 27'x23' family room featuring 17' vaulted ceiling, smooth spruce ridge and rafter beams.
- Master suite featuring beautiful reclaimed barn style door on master bath. Master bath has Hemily quartzite countertops, natural wood stained cabinets and large walk-in wet room. The wet room is a glass enclosure with shower and free standing tub.
- Large walk-through master closet connecting master bath and laundry room.
- Media room with ice maker, under counter refrigerator and beautiful Knotty Alder stained floating shelves and cabinets.
- Energy efficient home with foam insulation, tankless water heater, double paned argon gas filled windows.
- Oversized back porch designed for entertaining. XL Big Green Egg, Blaze Pro Grill, under counter refrigerator and Blaze Natural Gas Griddle with lights.
- Home has a 5,100 square foot shop. Every man's dream.
