

## Become Part of the Conference Management Team

The State Leadership and Skills Conference is the highlight of the State SkillsUSA year. It is a tremendous effort of time, equipment, materials and volunteer support. To successfully manage such an event, the State Association Director must put a volunteer management structure into place and define the roles of all team volunteers.

The following is the team structure SkillsUSA Kansas follows. The director is responsible to delegate management authority for the State Conference and to appoint managers for sub-components of conference operations.

- Audiovisual Team
- Facilities Host Team
- Hospitality Team
- Move-in Team
- Photography Team
- Prize Team
- Public Relations Team
- Registration Team
- Safety and Security Team
- Seminars Committee
- Sessions Team
- Signs Team
- Stage and production Team
- TechSpo Team
- Transportation Team

To learn more about how you can become involved, please contact the State Director. The director will visit with you and see where your talents will work best on a SkillsUSA Kansas Team.
