President's Perspective

Good Day To All;

I feel optimistic, for the first time in about a year and one half, that we are returning to some semblance of normalcy.

We have our picnic planned for Wednesday, August 18th and our Holiday Luncheon for early December. The luncheon in December will be our first luncheon in two years. I am also looking forward to the board meetings in person starting in August or September, which will be the first time in one and one half years.

I am hoping to reconnect with coworkers at these upcoming events. Our [website](#) will have the details.

We also have positions coming open on the board at the end of this year. I would like to invite any member to talk to me or another board member if you are interested in becoming a board member. At this time 2022 is looking to be a more normal year where we can plan activities of interest to our members. As a board member, you can suggest or assist in these activities.

I am looking forward to seeing you at the picnic. I hope this Newsletter finds everyone safe, and in good health. In the meantime, ARSCE puts out an [excellent newsletter](#) filled with news and stories about City of Seattle retirees.

Thank you for your continued support!

Tony Raimondi, RCLEA President
