# PAWS PRINT

Busy is an understatement for what we've been this year at PAWS. It's been another record breaking year for us and the year is not even over.

PAWS assisted in helping over 500 families get their animals fixed this year and most of these families had multiple animals in the home that were spayed or neutered thanks to PAWS. PAWS captured and fixed over 100 feral cats and made sure each of them were properly vaccinated.

PAWS took in animals with life-threatening illness and injuries and provided them with the medical treatment, care and love they needed. As soon as they were healthy, we made sure that they got adopted into loving and caring homes.

PAWS intakes has increased dramatically thanks to our adoptions being up and 60% of those intakes have had major medical expenses. PAWS vet bills have increased over \$20,000 this year alone, that's a huge increase and quite a hardship on one small shelter that receives no county or federal funding. That is why it is so important for us to receive contributions from our supporters. Without your donations, none of these animals would have received the help they need so we are tremendously grateful for every dollar that comes into our shelter. PAWS medical expense we realized has been more but the need has been much greater. Each year we hope that we will see a decrease in the need due to more people spaying and neutering but ,sadly each year our numbers increase. We are just thankful that we can help as many as we can, thanks to YOU and your wonderful support.

Back by popular demand by our PAWS residents, we are doing the Thanksgiving Feast for a second year in a row. Last year we wanted to do something new and special for the cats and dogs who will spend their Thanksgiving at PAWS so we made sure they would feast on Thanksgiving too!! The animals residing at PAWS Animal Shelter will have a Thanksgiving feast and also a Christmas feast to enjoy.

You can help by providing a cat or dog at PAWS with a Thanksgiving or Christmas meal.

Go to <http://www.pawsbrysoncity.org/thanksgiving.html> to feed a cat or dog at the shelter on Thanksgiving or Christmas. If you can't give them a home for the holidays, how about a special meal on Thanksgiving?

We will also be doing a special feast for Christmas as well so if you miss out on donating to the Thanksgiving Feast your donation will be put towards their Christmas Feast.

Special Thanks to Margaret Marr, Michelle Archer, Shelly Poppens, Brenda Bowman, & Yvette McClure for donating to this years Thanksgiving Feast.

We have included some photos from last years feast on page 8 for your enjoyment.

# Happy Holidays from all of us at PAWS

Omar is one busy kitty. Omar is the office cat at PAWS and he doesn't take that responsibility lightly or lying down. (Okay perhaps he does take his job lying down). But he definitely lives up to his title of office kitty. He, like most of us at PAWS, has learned how to multi-task. He's making sure he gets his online donations in early this year, as well as ordering his four legged friends at PAWS items they have asked for on their Christmas list. He knows that shelter animals need Christmas too!! Some of the animals have made out a list of their wants and needs this year and they've asked Omar to share them with you.

# Meet TEDDY

Teddy is just that..... a big cuddly teddy bear. This dog is so affectionate and loves everyone he meets. He loves to lean up beside his humans and would love to cuddle up beside you on cold winter nights. Before Teddy came to live at the shelter he was living life on a chain then Teddy was left abandoned when his people moved away and left him chained up outside. A Sheriff's Deputy went to check on the situation and then called our Executive Director to see if we could help. Our Executive Director Beth Cline-Stroud and Deputy Carolyn Posey went back to where Teddy was chained up and cut his chains away. He was immediately taken to receive veterinarian care because he was emaciated from lack of food. Teddy spent some time at the vet hospital after he was rescued and when he was all better he was transported on up to PAWS Animal Shelter. Teddy inspires us all and reminds us that no matter how bad life has treated us to always look at the brighter side of life and treat others with kindness and love. Come by and meet Teddy, we promise you are going to fall in love with this cuddly teddy bear.
