

## Physician Fee Analytics

### Philip Resch

**Philip Resch** is a Retired Navy Captain, recovering “lawyer”, experienced executive with domestic and international assignments in multiple industries. As CEO of Physician Fee Analytics he brings unique understanding of benefit plan structure and operations, gained from being a member of the executive committee and trustee on the Health and Welfare plans of one of the most comprehensive joint management and labor benefit plans in the US. His experience in executive search and management consulting allow for him to comprehend the operations of a firm or company from a unique position. Through extensive negotiation experience in labor contracts, business dealings and mergers/acquisitions, Mr. Resch possesses an ability to negotiate contracts. He has worked for Ford Motor Company, Ryder Systems, Fujitsu, Pacific Maritime, Greenwich Air, Partner Sandhurst Group and Co-Founder Veterans Employment Connection.

After graduating on an NROTC scholarship from the University of Louisville, Phil served as a Surface Warfare Officer in the Navy in a variety of different assignments including Executive Officer on a Navy tanker. He received his Masters in Business Management from Webster University and has a Juris Doctorate degree from the Brandeis School of Law at the University of Louisville. He is a retired Captain US Navy. Phil is co-author of *Conversation on Leadership* with Warren Bennis, Philip Fulmer and Alan Keyes. Phil is a frequent guest on [KDKR 91.3FM](#) (Dallas/Ft. Worth), speaking on Servant Leadership and job career strategies. He was recently featured in an article on CEO’s and Servant Leadership in D-CEO magazine. He is a 30 year member of the National Speakers Association.
