

# Olde Vineyard Homeowners Assn

## Renovation and Construction Approval

1. Contact the HOA & the City of Clinton for approval.
2. Share your specific plans.
3. Owner or contractor should provide by email all proposed construction information. Include any diagrams, images.
4. Provide proposed colors and materials information.
5. Provide name and contact information of your construction professional or contractor.

It is very important for work done to comply with HOA Protective Covenants before work begins. The HOA and the City will send you approval so you will know your project complies with City and HOA codes and covenants.

Send this information to the HOA at [oldevineyard@gmail.com](mailto:oldevineyard@gmail.com).

You may contact the City of Clinton at 601-924-2256 or by email at [redwards@clintonms.org](mailto:redwards@clintonms.org).
