

His Attentive Gaze

"I heard a loud shout from the throne, saying, "Look, God's home is now among his people! He will live with them, and they will be His people. God Himself will be with them. . . . He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever." (Revelation 21:3-4 NLT)

As real as our suffering is right now, its absence in eternity is just as real. No matter what your trials look like right now, they aren't forever. God guarantees they will eventually end, and when weighed against what awaits you in heaven, all the hardships you've ever endured are going to seem quite light. The great news is this:

Nothing in all creation is hidden from God. Everything is naked and exposed before his eyes . . .Hebrews 4:13 NLT

God sees everything. "I AM omnipotent Creator." He is with us in a very personal way. He is saying to us today, "I'm your Father and I care more about you than you can even comprehend."

If there's one truth to take away today it's this: our Heavenly Father sees everything that you're going through. In fact, our Heavenly Father always sees you, and scriptures proves it.

- We see it with Noah: Then the LORD said to Noah, "Come into the ark, you and all your household, because I have seen that you are righteous . . ." (Genesis 7:1 NKJV).
- We see it with Jacob: "I have seen all that Laban is doing to you." (Genesis 31:12 NKJV).
- We see it with Hezekiah: "I have heard your prayer, I have seen your tears . . ." (Isaiah 38:5 NKJV).

Time and again, God's Word reassures His people that in their most trying moments, He sees them. He doesn't want us to feel detached or isolated from His sense of awareness.

We must believe that God has our back regardless of where we are standing. Yes, life is showing you the things that need to go and the things that need to stay as it all gets revealed through your life's circumstances.

He wants you to know that you are not forgotten, but that you command the attentive gaze of Almighty God. It should bring tremendous encouragement to focus on the truth that your Heavenly Father sees everything and is working things out behind the scenes even when you can't see it.

What a wonderful truth that when we surrender to Him we are under His watchful eye. We can trust that He's in ultimate control and that our fate rests in the hands of the One who perfectly loves us.

No matter what the struggles are right now, no matter how big it may seem, it's time to break that lie with Faith. It's time to stand strong in the truth that He sees and He cares.

He cannot lose sight of you. It's impossible for Him.

You are always before His eyes. His attentive gaze is upon you! God sees you always and He has never lost sight of you!
