February 2020

Winter Break February 7 – 11

*Thirty days has September,
April, June and November,
All the rest have thirty-one,
February has twenty-eight alone,
Except Leap Year, that's the time
When February's days are twenty-nine.*

The month will be filled with celebrations and Valentine's Day will be right in the middle. Valentine's Day is a great time to read some of the little sayings on the cards to your children. The rhyming words may sound corny; but they are just one of the many ways your child learns literacy skills. Please check your calendar to see when it will be celebrated and how the teacher would like the cards done. Please remember that doing a couple of cards each day will keep this a fun activity. Along with exchanging valentine cards, some of the children will be working on their full names, addresses and phone numbers. **Often parents will ask to bring in a special snack for this celebration, we ask that you check with the teacher as someone might have already made arrangements to do so.**

February is a fun filled month with a lot of holidays to talk about. We will be watching to see if the ground hog will see his shadow. The patriotic month will bring out the red, white and blue paint as we celebrate President's Day.

All classes will be discussing dental health month. Great emphasis will be put on how and when we brush our teeth. We will talk about foods that are healthy snacks and those that are not so healthy. Maybe some of our friends will share their experiences going to the dentist. A dental hygienist, from a local dentist, will be visiting some of our classes.

Our first bus trip was very exciting. It was the first time on a school bus for many children. They even got to eat snack on the bus! As always, Paper Moon Theatre performs an age appropriate show. This year the show was Beauty and the Beast, in case you haven't already heard about it. Everyone seemed to enjoy it.

The Enrichment class enjoyed a visit from Snapology, where they learned about Lego engineering. They built a race car and had a race, such fun!

We still have spots available in the 2 day, 4 day and enrichment programs for the fall. Word of mouth is our main source of advertising, so thank you for all your continued help. Anyone interested in any of these classes should call the school office.

Reminders

- Payment # 7 due.
- Don't forget to check your email for school cancellations due to weather. If you change your email address please tell your child's teacher.
- If your child has borrowed any clothing, please return it as soon as possible.
