Testimonials:

“Before my son began preaching on this subject, I had never considered my gifts and talents, or starting a business. My mother was a seamstress and tried to teach me and my sister to sew, but we weren’t interested growing up. However, after hearing this message from Pastor Terrance, my natural gifts have been stirred up. I have supernaturally started creating hand crafted hats, etc. The Word of God helps to release what God put in you.”
