“FATHERS AND FAMILY FOUNDATIONS”

‘Dad, How Much Do You Look Like God?’

Joshua 24:14-15

Types of foundations:

- Natural day to day
- Relationships
- Values
- God- Jesus Christ, the Word of God

Matthew 7:21-29 Your family foundation.

We claim different promise indifferent situations. BUT what promises are you building your life and family on? CAN YOU NAME IT?

Claim the promises from the Scriptures of God:

- *Start circling the promises.*
- *Write down a list of God-glorifying family goals.*
- *Keep a prayer journal. DATE IT!*
- *Claim your promise.*

Do the best you can with what you have where you are.

God’s primary concern is *who we’re becoming and how are we developing our family and children?*

BEING first and DOING second.

Help our children maximize their God-given potential.

Potential is God’s gift to us; what we do with is our gift back to God.

Teach our children God’s ways..., integrity, honesty, trustworthy, loving...

“The Christian home is the Master’s workshop where the processes of character molding are silently, lovingly, faithfully and successfully carried on.” R.M. Miles.
