RACING RESULTS

It seems all the wind was used up last Sunday on Keuka, so there was no wind for the MC scows on Saturday morning. A shifty breeze came in on Sunday and the Lightnings finished two races and went ashore. John Brown reports they were leading the last race at the windward mark, but dumped jibing the spinnaker just around the mark! Five e-scows came out for some 'fun' racing and hung out while the Race Committee shifted the course for the west wind. Unfortunately, it didn't hold. Curt Wright and the crew on KU 121 won the last boat racing award for that second race as one by one the other Es called it quits for the day!

HOUSEKEEPING REMINDERS

Masks are on inside *unless* you are sitting at a table.

A ROSE BY ANY OTHER NAME....

Fred Schulte and Kathy Wheat tell us how their cruiser was named. "When we bought the Catalina 22 from Ron and Linda Beyer for my 50th birthday, it was named JUMP SHIFT. Jump Shift is a bridge bidding response that typically shows a strong hand with 19 to 22 points. Not being bridge players and knowing that it is bad luck not to give a new boat a new name, we started exploring names that included parts of the old. We removed the Shift (ignoring the obvious SHIFT Happens) which left us with JUMP. We kept scraping off letters until we were left with UM. We considered UMazing Grace, ThUMbelina and hUMming Along, but they all seemed too long for the transom. When we took the boat on the Erie Canal, we would have to radio ahead to the next lock to be locked through. The lockmasters got such a kick out of a boat named UM that we decided to keep it as is. Thus, it has been the proud ship UM ever since!"

There's no wondering whose boat who are admiring when you see one of Randy Kuhl's boats:

'66 Century inboard (woody): Kuhl One
1st MC 2639 (my first MC) : Kuhl Two
2nd MC 1981 : Tew Kuhl
- I added Janae's last name to the boat—after all the MC scow is "too cool!"

STAYING SAFE

- You may enjoy your food and beverage on the lawn *and at limited tables* in the Club-house. (Do not add tables or chairs)
- **Face masks are still required inside the Club**, but may be removed *while seated* at your table
- Maintain 6' social distancing when not seated
- Remember to wash hands (or use the hand sanitizing stations located near exit) frequently
 - Stay away if you aren't feeling well

LASER RACING RETURNS

Friday night laser racing will resume on Friday, August 7th with 6 PM starts.

Club boats available.
PFD required—not provided.

MEET STEVE

You will see Steve in the kitchen most weekends. He is a 17 year veteran in the food industry, working his way up from a dishwasher. He was formally trained as a diesel mechanic and has worked for Around the Corner Catering since December 2018.

Steve made a wicked good queso last Sunday—wonder what other treats he might whip up! Be sure to say hi when you place your food orders!

King of the Mat? A bunch of the kids found a way to stay cool last Sunday afternoon while having a lot of fun!
