How to Paint A Wall

While I went off to work one day,
 She decided to paint the wall.
 And when I came back home that night,
 She was curled into a ball.
 Her eyes were closed, she was breathing
 hard,
 Her hair was very wet.
 From her head to the tips of her pretty
 toes,
 She was covered all in sweat.
 She was wrapped in a jacket made of
 down,
 With a fur coat on top of that.
 The wall was glowing with new, fresh
 paint;
 On the floor, the paint can sat.
 "Sweetheart!" I cried, with a worried look
 "Are you all right, my dear?"
 She lazily opened her lovely eyes,
 And smiled from ear to ear.
 "I knew I could do it," she said with a grin
 "I followed the paint can notes.
 It clearly said 'For best results,
 Be sure to put on two coats.'"

Toilet Check

A little boy sat on the toilet;
 He was in there way too long.
 His mom came in to check;
 she thought something was
 wrong.
 He'd sit and sigh, sit and sigh,
 Then he'd slap the top of his
 head.
 "Why do you do that?" his mother
 asked.
 "Works for ketchup," he said.

TONY'S BLOG

Well, we just got back from our winter cruise. what can I say except that it was great! The weather was great and we were on the beach in 5 different islands. For me, it was one of the best vacations. I got up each day whenever I felt ready, took afternoon snoozes and sat on my balcony and watched the world go by. The food was great all day and all night. One of the other highlights is that there was no news from home. Each day I posted pictures on Facebook of what was happening. In St Kitts, I posted of picture of me with monkeys, one on my head and two on my arms, it was a big hit. I welcome all to be my friend on Facebook. Search me under "Tony roccia" and ask to be my friend. By the way, we are already booked for next winter, January 28th.
