January 2013 President's Message

Well, the New Year is upon us. The awards have been handed out and a clean slate began at the close of the November meeting. Congratulations Mike Maurizio and Ernie Branch as our top fishermen of the year. Congratulations to Don Udlock as Sportsman of the year for all the hard work he put in as a volunteer with Friends of Rollo. Thank you to all who donated to the Friends of Rollo Raffle. The grand prize was a Phoenix rod and a beautiful jewelry box, donated by Mr. Coleman. We rose well over \$600.00 and everyone is to be congratulated. If you did not attend the banquet, you can make out that tax deductible gift check to friends of Rollo and give to Don at the next meeting.

In closing out 2012 I need to thank the board for all their hard work during the year to make our club a success. Warren had to keep track of hundreds of pictures and do a lot of math to add up those points to determine Angler of the Year. Ernie Branch, our saltwater chairman won Angler of the Year. Dave Craig captained our freshwater events while Pierre kept tabs on membership. Thanks to Denise our Secretary for her hard work on the table decorations at the Awards Ceremony and Ron for setting up the banquet and the wine for the ladies.

Kaili Chang, our new CFO takes over this month and while Lynn Adams cannot be replaced, he is asking for someone to step up and at least help with the raffle chairman's job until a permanent replacement can be recruited.

A lot of prizes were won at the banquet; I know I won my share. I still have not won a trip. I will have to shift strategies next year and put more tickets in that bucket. Anyway I hope you all won something good. Lynn Adams, Dick Giuliani, Rich Jenkins, and Ron Coleman are to be thanked for their efforts to pick up the prizes from the various vendors.

A lot of vendors donated or gave us a great discount on the prizes handed out at the banquet. I will list them next month. This month and the New Year seem to have caught me off guard. Dick has the list, gave it to me, but I do not have it and the newsletter is going to press. Sam does a great job letting me know I have not submitted my information and a better job with the newsletter and Website. We owe him our thanks.

We said goodbye to Herb Mitchell, who is moving to greener pastures and outside of California. I will miss him. He always gave the club of his time and efforts over the years. He was a great fisherman and will be missed.

2013 will be a great year with Fred Hall in March, Friends of Rollo trip, volunteer

Fresh Water Event Update

Happy New Year everyone, now that you've put away all of your Christmas decorations, let's go fishing. The first surf fishing outing of the year will be on Saturday January 12TH. I know it's only a week away, but it's going to be the only good tide of the month. We are going to the usual spot, Bolsa Chica Beach. PCH and Warner Ave. behind the Jack In The Box. Starting time will be 7:00 AM till noon . High tide is at 8:56, so it will give us a couple of hours on either side of the tide. If you need help with gear or directions, we will go over it at the meeting. Looking forward to seeing you there.

Members Reports

Well I couldn't let the end of the year go by without getting out on the water one more time.

With storms blowing by us every couple of days the window of opportunity was small. Checking

the weather and boats going out, the Pacific Dawn had one spot open on the 28th, a high pressure system was sweeping down, my last chance to get my money's worth out of the 2012

license. As it turned out Joel and Christine also booked the trip, good company. The water was

flat calm all day fishing San Miguel Is. I decided to fish the bow with Joel, Christine fished her

favorite spot next to Cap.Pat's window. On the first drop Mrs.C gets a really big ling on the squid shrimp fly combo. It's a hoot listening to Christine and Pat egg each all day long.

Anyway it was limits of lings[2 each] and reds and assorted rock fish to fill the sacks. There

were many sub-legal lings caught, it doesn't look like the fishery is in any danger of being fished-

out for a long long time. They ate my secret jigs all day long, but they bit on anything dropped

down to them. It was a perfect day at the Channel Is. see you next year
