

## **Youth Empowerment Summit-YES**

# Corporate Sponsorship Package

*At Youth Empowerment Summit-YES, we empower young people to build their confidence and skills to experience meaningful and successful life transitions.*

*We motivate young people to explore their career and educational aspirations and take control of their future choices.*

*Our programs focus on developing hope in their future, college prep and career skills that will improve a young person's ability to identify their skills, abilities and attributes that will assist them in the future.*

## **ABOUT Youth Empowerment Summit-YES**

Youth Empowerment Summit-YES, is a 501(c) (3) organization In the Atlantic Beach/Jacksonville, FL. area and we introduce a **Societal Development Solution & Alternative Roadmap** for Youth between the ages of 7-18 and work to ***Creating Future Leaders***

The organization concentrates its educational and outreach activities in all Jacksonville communities and neighborhoods to enrich lives through character building for youth.

**Children were not born knowing how to read, write, play piano, or play football,**

**They weren't born knowing how to develop positive self-esteem**

**If kids aren't proactively taught how to develop a mindset based on empowerment,** it will evolve on its own because of exposure from the media, influence from their peers, and how they decide to interpret their life experiences.

This often leads to stressed out youth– **something none of us want for the kids in our community!**

**Self-esteem is so important, youth with self-esteem feel important, they feel they matter!**

### **Did you know?**

- 25% of youth, 13-18 years old experience stress in their lives.
- Suicide is the 3<sup>rd</sup> leading cause in death of youth between ages, 14-24.
- 1 in 25 youth, ages 12-18 are on anti-depressant medication.
- 10% of our U.S. population is stressed

**Youth Empowerment Summit-YES** help young people & their families learn to effectively deal with Stress.
