Hi Dorland!

In response about the Autumn newsletter, I can be found this Autumn, September 10, selling my art in New York, NY at the 31st Ave Stave Open Street Fair.

I'll be selling original New York themed watercolor art on postcard sized paper along with prints, and lapel pins I've designed.

Also, I've been spending a lot of time in England this year, which has inspired me to make a story about a few of the animals living in one of my favorite London parks: Hyde Park. I attached a couple of drawings for that story, but tbd! It's early days.
