

Tenet Lesson

Indomitable Spirit

What does it mean?

Having the “**I Can Do It Attitude!**”

Not giving up when things go against you!

Instead find ways to make your goals/dreams happen!

Example:

You want to break a board with a certain break. You try and you fail. You don't break it. You try again...it still doesn't break. Does that mean you can't?! **NO!!! It means you need to try again.** Find out what you need to do different.

You are struggling with a subject in school. No matter how hard you try it seems you just can't get it.

Do you give up? **NO!!! You ask for help, you spend extra time.**

You do what it takes to make it work!

MAKE IT HAPPEN!

Never Quit!!

Homework:

Share your example of how you demonstrated or witnessed **Indomitable Spirit**.

Write it down, draw a picture or tell us a story!
