Jackson Township FD No. 2

FISCAL YEAR: January 1, 2026 to December 31, 2026

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The proposed annual budget will increase the amount to be raised by taxation \$1,381,961.96 (49.6%) while utilizing \$100k of unrestricted fund balance and no restricted fund balance. The District is not in compliance with the property tax levy cap and will be requesting a \$1 million referendum from the voters. The District is in the process of negotiating a consolidation with District #3, which may occur July 1. However the District needs to plan accordingly in case the consolidation does not go through.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

Yes, due to the decline in active volunteers, paid staffing 24 hours, 7 days a week started in July 2025. To fully staff shifts and reduce OT, (4) FT firefighters need to be hired, along with SCBA, radios and turnout gear for them. Due to 24/7 coverage building modifications (sleeping quarters, showers, etc) are needed. A FT inspector, extrication tools and hose are also in the referendum.

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2026 proposed operating budget, explain the reason and purposes of the appropriation.

Not applicable

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The proposed annual budget includes \$100k in reserve for future capital expenditures and debt service in accordance with the payment schedule on F-6 and F-7.
