Warm days, chilly nights... it must be Fall! It’s a new month, new season, and lots of new things to do here at The Harvest Years. Come on in and celebrate Autumn with us!

Staying healthy is always a priority for our members. Flu shots will be offered on Tuesday, October 23rd. For those members that have Medicare cards this is offered free of charge! If you do not have a current Medicare card, the fee is only $20.00. You must sign up and schedule an appointment for that Tuesday.

A fresh, warm, cup of soup sounds great! Our Soup to Go program is in full swing for the next few, chilly months. Come in and enjoy a cup and take a quart home with you for dinner.

Saturday, October 6th is the date for our semi-annual yard sale. It will be held rain or shine, because it is indoors. So many volunteer opportunities still await…

Subs are back as well. Our Fall Sub Sale is scheduled for Friday, October 26th. Your choices are either a Turkey Sub or and Italian Sub, you choose the add-ons. Please pre-order, and prepay by Wednesday, October 24th.

Looking ahead to November, our Annual Craft Fair is on the calendar for Saturday, November 3rd. Many helping hands are needed to make this event a success! Set up for the fair starts on Friday, November 2nd and of course we need lots of hands for cleaning up afterwards. ‘Tis the season for our Harvest Years crafters to participate in many off-site craft shows and fairs. Any additional assistance you can offer would be greatly appreciated as well.

Please stop by our reception desk, or call in, to say that you can help with any of these fall activities.

Lastly, the 2018 Harvest Years Annual Giving Campaign is ready to roll out as always on October 1st and run throughout the Holiday Season. As in past years, we will again be reaching out to all of our Center members, their closest friends and family, the Camden and Wyoming community residents and businesses and our nearby neighbors. Many, many thanks to those of you who have made a “pre-campaign” contribution, and to those of you who have offered to help in this huge effort. We need everyone’s help.

Sincerely, Tom

Autumn has arrived and we are now experiencing cooler weather and shorter days. Please do not despair!!! We have lots of things happening at The Harvest Years to help you enjoy this very beautiful time of the year.

October is going to be filled with exciting trips to the Fulton Theatre in Lancaster, a trip to the magnificent Longwood Gardens with the Fall theme of beautiful trees and flowers depicting yellows, oranges, golds, and magenta colors. Pumpkins will be on display along with mums of every color!!

Mid-month we are going to test our Luck at the new MGM Grand Casino in Maryland. We hope everyone wins BIG!! We will have something to celebrate on the way home!!

Our final trip for the month will be to the WBOC—TV Studio in Salisbury, MD. We will be attending the taping of “Delmarva Life” TV Show. This show airs every day at 5 PM. We were there last year and it was so interesting we decided to go back. It is fun to watch.

2019 TRIPS - To date there are 9 trips scheduled with many more pending. Keep an eye on your Newsletter for updates!

Do Not Wait To Sign Up!!

Tickets are going fast!!!

Sincerely, Tom

Autumn is my favorite season. This year, after a summer of heat, humidity and rain, the cooler, dryer temperatures are especially welcome. The weather is more comfortable and more inviting for local excursions exploring the historic sites our historic state has to offer.

I surfed through “www.visitdelaware.com” for some ideas on how to spend a few days this fall enjoying our historic state. Visitdelaware.com is the official website of the State of Delaware. It is chock full of great ideas about how to learn more about and enjoy our little “gem” of a state.

For example, up in New Castle County, there is the Hagley Museum and Library that tells the story of Delaware’s prestigious DuPont family. One of my favorite sites in Wilmington is the Old Swedes Church, now a National Landmark, that was built in 1698 by Swedish colonists who had established Delaware’s first permanent European settlement in 1638. And there is the Old Court House in New Castle, one of the oldest surviving courthouses in the United States and itself a National Landmark.

Sussex County has its own sites well worth a visit. The Fort Miles Historical Area at Cape Henlopen State Park showcases one of America’s most important East Coast fortifications during World War II. South of Rehoboth, the Indian River Life-Saving Station reminds us of the many perils experienced by those who sailed Atlantic waters during the heyday of coastal trading. A stroll along the boardwalk in Rehoboth or Bethany Beach is always a pleasure.

I think some of the very best sites, however, are right here in Kent County. The Green in Dover is one of the most historic sites in America. It was on our Green that Delaware’s delegation to the Constitutional Convention of 1787 voted to ratify that constitution. They were the first of the original thirteen states to ratify, and Delaware has enjoyed the status of being the “First State” ever since.

Stroll around the Green and stop at the John Bell House, a marvelously restored building now used as a base by the Division of Historical and Cultural affairs. The Old State House on the Green evokes centuries of Delaware history. Behind the Old State House is the Biggs Museum. “The Biggs” houses one of America’s finest collections of fine and decorative arts.

South of Dover on the south end of Dover Air Force Base is the Air Mobility Command Museum. Visited by more than 100,000 people a year, the AMC Museum displays military aircraft large and small outlining the history of military aviation in America. Included is a jetliner dubbed “Air Force Two” as it was used by Vice Presidents of the United States.

A tad further south of the Air Base is the John Dickinson Mansion on the road to Kitts Hummock. John Dickinson was known as the “Penman of the Revolution” for his numerous writings that helped frame the original philosophical underpinnings of our democratic republic.

Try “visitdelaware.com” yourself to plan a day. You can also go to “visitdelawarevillages.com” for more Kent County ideas. Kent County has lots to offer. Maybe this fall is the time to see it all!

In order to effectively treat your neuropathy three factors must be determined

- What is the underlying cause?
- How Much Nerve Damage Has Been Sustained.
  NOTE: Once you have sustained 85% nerve loss, there is likely nothing that we can do for you.
- How much treatment will your condition require?

The treatment that Dr. Steve Goldschlager, D.C. provides has three main goals

1) Increase blood flow
2) Stimulate small fiber nerves
3) Decrease brain-based pain

Figure 2: When these very small blood vessels become diseased they begin to shrivel up and the nerves begin to degenerate.

Figure 3: The blood vessels will grow back around the nerves much like a plant’s roots grow when watered.

Dr. Steve Goldschlager, D.C. will do a neuropathy severity examination to determine the extent of the nerve damage for only $60.00 for the first 25 callers. This neuropathy severity examination will consist of a detailed sensory evaluation, and a detailed analysis of the findings of your neuropathy.

Call 302-735-5501 to make an appointment to see if Dr. Goldschlager can help you.
Note: We are located at 77 Greentree Drive in the Greentree Shopping Center.

Peripheral Neuropathy
WARNING!

Peripheral neuropathy is a result of damage to the nerves often causing weakness, pain, numbness, tingling and most debilitating balance problems. This damage is commonly caused by a lack of blood flow to the nerves in the hands and feet which causes the nerves to begin to degenerate due to lack of nutrient flow.

Figure 1: Notice the very small blood vessels surrounding each nerve.
