Come and shoot and have a great time! Lots of great prizes and gift certificates provided by Rice Creek and our league sponsors, maybe you will win a prize. Enjoy a meal with us and celebrate a successful sporting clays season. Shoot the 80 target course that will make you eligible for participation in prizes and a chance to win hunts at Rice Creek. Bring a bunch of shells and shoot fun shotgun games. Bring guests with you and introduce them to how much fun sporting clays is, see you all at the party, Joe & Gregg.

GET YOUR SCORES POSTED BY SUNDAY, AUGUST 12th

All teams that shot in the league will win a certificate for hunting here at the club if they shot the required amount of targets. Any team that has not shot the required number of targets by the 12th of August will not be eligible to receive a hunting certificate from Rice Creek. A four - person team must have 32 scores posted and a two - person team must have 16, this is for the low brass teams. Anyone can back-shoot to get scores posted right up until the deadline, **but again, if your team does not complete your shooting, your team will not be eligible to receive a hunting certificate to be used at Rice Creek.**

Start your day with The ACES TOURNAMENT Sunday, August 19th, at 11:00 a.m.

All shooters are eligible to participate in the "ACES" Tournament. Shooters that have won the aces tournament are not eligible to win the customized prize. Shooters that would like to enter the "ACES" tournament will pay for a regular league priced round, squads will be formed by your average, with no less than three, but no more than four shooters in a squad. Be ready to shoot at Rice Creek by 11:00 a.m. Sunday morning, August 19th. Winners of each squad are determined by how many stations they ace. Shooters with the most stations aced in each squad will be entered in a free shoot off at 3:00 p.m. Winner of the shoot off will be first by aces on the five stand course, ties will then be broken with a sudden death station by station shoot off.

Please RSVP before August 12th so we know how many to plan for. 320-745-2232
