Aries: March 21-April 19

Celeb Twin: Kate Hudson needs to tap into her creativity. Jupiter allows you to shine like a diva and take center stage having fun. Let your hair down and balance play with work to enjoy life with a more light-hearted attitude. Learn to be more creative. Saturn propels you to end situations that no longer serve a purpose; people with whom past clashes have shown how mis-matched you are in life direction and values. It's time for a clean out.
Astro-Mantra — I embrace a light hearted attitude.

Taurus: April 20-May 20

Celeb Twin: Penelope Cruz will be lucky in family matters. Jupiter creates an aura of optimism around the home and allow you to re-vamp or extend an existing home or even invest in new real estate. Family matters fare well, expect plenty of get togethers. Resolve old rifts for renewed relations. Saturn tests relationships. Examine whether to work through it, or to move forward alone.
Astro-Mantra — I embrace relationships that serve my highest good.

Gemini: May 21-June 21

Celeb Twin: Angelina Jolie teaches important values. Jupiter expands communication and sees you writing a book, engaging in public speaking or teaching. Spread your expertise to enrich other people's lives. New ideas bring success. Saturn can play havoc between people in the workplace — avoid getting tangled in petty disputes, stand your ground with authority figures. The truth will prevail in all situations.
Astro-Mantra — I communicate with clarity and truth.

Cancer: June 22-July 22

Celeb Twin: Jessica Simpson gets cash lucky. It's raining money with Jupiter. Financial matters stand under a lucky star. Expect an rise in incomings; ask for a pay raise or move onto better paid positions — all is within your reach. Investing in real estate can be profitable. Saturn can make and party. Surround yourself with fiery outgoing people.
Astro-Mantra — I am blessed with abundance.

Leo: July 23-August 22

Celeb Twin: Jennifer Lopez uses personality to prosper. Jupiter sees personal confidence sky rocket to new heights as you realise anything is possible. You have the ability to attract the right people and resources to turn dreams into a reality. A new business started now reaches great success and maturity in 10-years time. Saturn challenges you to explore the past and resolve childhood hurts, family disputes and old habits. This can be very therapeutic.
Astro-Mantra — I radiate abundance and optimism.

Virgo: August 23-September 22

Celeb Twin: Beyonce is interested in all things spiritual. Jupiter favors the spiritual — 2015 is about going within to understand your philosophy on life and how you fit into the universe. Conscious expanding activities such as psychic development, past-life regression, mediation and metaphysics enhance your life. Saturn tests attitudes/beliefs no longer in syc with your life direction. Time for intellectual restructuring.
Astro-Mantra — I follow my spiritual path with ease.

Libra: September 23-October 22

Celeb Twin: Kim Kardashian looks to humanitarian causes. Jupiter expands social circles where people of different backgrounds and beliefs make a great impression. There is much to learn as new ideas and pooling of resources achieves personal and joint goals. Working for humanitarian causes helps you make a difference. Saturn can bring debt/losses that limit financial gain. Be prudent in money matters. Cash flow only grows through positions of responsibility.
Astro-Mantra - I attract people who help my best interests.

Scorpio: October 23-November 21

Celeb Twin: Demi Moore will find unexpected career opportunities.

It's time to reap the rewards of past efforts. Jupiter expands career matters. Recognition and positions of leadership open up with ease and your dreams finally come to fruition. Climb the professional ladder to more coveted positions. Saturn helps you overcome fears and limiting habits to bring forth a renewed personality strong and determined. Achieving your ideal body can bring confidence.
Astro-Mantra — I reach new levels of success.

Sagittarius: November 22-December 21

Celeb Twin: Scarlett Johansson explores new cultures. Jupiter brings forth travel to foreign and exotic lands where new ways of living and different cultures expand your mind. Fine tuning skills and developing leadership qualities can enhance career prospects in months to come. Saturn brings endings in many areas; clean the slate and start fresh.
Astro-Mantra — I embrace new beginnings.

Capricorn: December 22-January 19

Celeb Twin: Kate Bosworth needs to balance financial incomings and outgoings. Jupiter spices up things in the bedroom as your libido expands with a renewed desire to experiment and push boundaries. Sexual exploration brings much pleasure and stimulation. Saturn tests old friendships as arguments and disputes make you question what kind of people compliment your life. Stick to friends who are on a similar wavelength.
Astro-Mantra — I clearly see the intentions of others.

Aquarius: January 20-February 18

Celeb Twin: Rihanna experiences a new relationship. Jupiter expands matters of the heart as love blossoms and an important partner takes center stage. This can turn into something long-term as commitment and marriage are in the stars. Love is cemented in 2015. Saturn brings forth delays and detours; hard work is key to steer through career ups and downs. There will be many tests to help you find your true vocation. Don't give up, patience gives great rewards.
Astro-Mantra — I embrace love and commitment.

Pisces: February 19-March 20

Celeb Twin: Eva Longoria focuses on improving personal well-being. Jupiter expands energy to pursue fitness goals to improve body and weight. Pay attention to what you eat; invigorate your life with a exercise regime that helps achieve optimum health. Your luck lies in anything that improves well-being. Saturn challenges your philosophy on life as certain beliefs come crashing down. You will be compelled to re-evaluate spiritual outlooks which help you make better decisions.
Astro-Mantra — I am healthy in mind-body-soul.
