

Who Killed JESUS?

The Jews Priests had been plotting to murder Him for a long time. They finally took him and had a quick night trial condemning him to death. After he admitted he was The Son of God. Then quickly taking him to the Roman Governor, Pilate to condemn him and kill him for them. Pilate found him to be innocent. The priests stirred up the mob to call for his crucifixion. Pilate didn't want to and said he was innocent, but gave into their demands and had him Crucified.
