Week 11 News and Notes!

For those of you that are new, in this section we'll recap what happened last week specifically, the misleading finals, the key injuries, the bad beats and the line moves. We'll include most of these recaps here, therefore you don't have to waste time reading about them in my game-by-game write-ups for the upcoming week. Without further adieu, here's a run down of what happened last week in the world of CFB.

Week 11 Trends **Favorites-Dogs** Straight Up 35-17 ATS 23-29 Home-Away Straight Up 30 - 2230-22 ATS Totals (O/U) Over-Under 22-27-3 Season To-Date **Favorites-Dogs**

Straight Up 534-154 344-331-13 ATS Home-Away

Straight Up 457-224 356-312-13 ATS Totals (O/U) Over-Under 344-336-8

Sam Houston State pulled off one of the biggest upsets of the season last Saturday as they beat Oregon State 21-17 as 21-point underdogs. The Bearkats were +861 on the money-line. It was also arguably the most misleading game of the season (see right).

Largest Favorites to Cover:

Notre Dame (-31) vs Navy, 49-10 Toledo (-16) vs Northern Illinois, 42-3

Biggest Money line Upsets:

Sam Houston State +861 won 21-17 at Oregom State (+21) California +706 won 29-26 in OT at Louisville (+18.5) Wisconsin +328 won 13-10 vs Washington (+11) Connecticut +246 won 37-34 vs Duke (+7.5) Iowa State +237 won 20-17 at TCU (+7.5)Missouri State +230 won 21-17 at Liberty (+7.5)

Misleading Finals and Blown Leads

Clemson (-1.5) beat Florida State 24-10. Florida State had a 360-319 yard edge but were -2 in turnovers. When out-gaining an opponent by 40 yards or more this year, Power 4 teams are 267-34 (88.7%). FSU is 4-4. Only 3 other Power 5 teams in the playoff era have lost 4 of their first 9 games with a 40+ yardage advantage.

Florida Atlantic (-4) beat Tulsa 40-21. However, Tulsa had a 431-420 yard edge but were -2 in turnovers

Wake Forest (+6.5) upset Virginia 16-9. However, Virginia had a 327-203 yard edge but were -3 in turnovers. Wake Forest got a 88-yard punt return TD and UVA was stopped on downs at the Wake 5-yard line. UVA hadn't lost a fumble in any game all year. They lost three in this game.

Rice (-1) beat UAB 24-17. However, UAB had a 315-232 yard edge but somehow couldn't manage a single point in the second half.

Iowa State (+7.5) upset TCU 20-17. However, TCU had a 432-272 yard edge. TCU led 17-6 in the fourth quarter but a 79-yard punt return TD ended up being the game-winner for Iowa State

Arizona (-6) beat Kansas 24-20. However, Kansas had a 369-323 yard edge. Up 20-17, Kansas missed a FG and Arizona went 80 yards in 9 plays getting a TD with :39 left for the win.

Air Force (+6.5) upset San Jose State 26-16. However, San Jose State had a 435-302 yard edge but were -3 in turnovers.

Kennesaw State (-11.5) beat New Mexico State 24-21. Kennesaw State had a 427-316 yard edge and led 24-0.

Sam Houston State (+21) upset Oregon State 21-17. It was maybe the most misleading game of the season as Oregon State had a dominant 474-157 yard edge. Oregon State had two interceptions, two missed FG's and were stopped on downs at the Sam Houston 10-yard line. Sam Houston got a 98-yard kick return TD and a 31-yard blocked punt return for a TD.

Bad Beats

Miami (-28.5) beat Syracuse 38-10. Syracuse scored a TD with the 3rd string QB with just :21 left to get the backdoor.

Delaware (+6) upset Louisiana Tech 25-24. Louisiana Tech was -219 on the money-line. LT led 24-16 in the final minute. Delaware got a TD with :34 left but missed the 2-point conversion. Delaware would recover the onside kick and then got a 51-yard FG for the win.

Injuries/Personnel News

-Virginia QB Chandler Morris (concussion) is questionable.

-Navy QB Blake Horvath (upper body) was a late scratch vs Notre Dame last week. He is questionable this week. He's Navy's leading rusher with 926 yards.

-Oregon WR leading WR Dakorien Moore and TE Kenyon Sadiq missed last week's game vs Iowa. Both are questionable this week.

-Louisiana Tech QB Blake Baker (knee) is out for the season.

-Memphis QB Brendon Lewis (ankle) is questionable this week.

-Sam Houston State QB Hunter Watson (knee) is out this week.

-Boise State will start Max Cutforth at QB this week with Madsen out.

-Texas S Michael Taaffe and WR Ryan Wingo both practiced Monday.

-Florida WR Eugene Wilson (ankle) is out for the season. In other news, Florida benched DJ Lagway for true freshman Tramell Jones in last week's game.

-Washington RB Jonah Coleman and WR Denzel Boston are questionable.

-LSU WR Nic Anderson will be out this week vs Arkansas.

-Wisconsin head coach Luke Fickell will return in 2026 according to AD McIntosh.

Brad Powers' Radio/TV/Podcast Weekly Schedule This Fall

Per my new contracts with Covers and Hammer Betting Network (Hit the Books), I'm not doing as many shows this year.

Mon 12:00pm ET. Early best bets with Joe Osborne @Covers on Twitter/YouTube Mon 5:00pm ET. Weekend recap with Joey Knish @HitTheBooks on YouTube Thu 12:00pm ET. Big game bets with Joe Osborne @Covers on Twitter/YouTube. Fri 9:00am ET. Weekend preview on Bill King show @NashSportsRadio Fri 5:00pm ET. Weekend preview with Joey Knish @HitTheBooks on YouTube. Sat:1:30pm ET. Halftime show of Big Noon Kickoff with with Joey Knish @Hit-

TheBooks on YouTube. @ indicates the Twitter handle.

Recapping Week 11 Best Bets

Our power ratings plays went 0-2 in week 11. Those are the plays that are 3 points or more off the Vegas lines. They have not done well the last three years and we're debating using them next year. VIP customers are 45-41-1 on top plays and 148-139-2 overall so far this season (see below).

VIP Records:

CFB Plays: 30-30-1 -4.43 units CFB Leans: 54-48 NFL Plays: 15-11 +2.85 units

NFL Regular Season Leans: 45-50-1, NFL Preseason Leans: 4-0

2

Games in Rotation Order Wednesday, November 12th

Northern Illinois 27 MASSACHUSETTS 16. Two of the worst bets in CFB this year. UMass is 2-7 ATS with an average non-cover of 11.6 ppg. NIU is 2-7 ATS with an average non-cover of 6.3 ppg. UMass is easily the worst team in CFB but tough laying doubles with a NIU offense that averages 12.2 ppg.

Toledo 24 MIAMI, OH 21. Toledo is No. 3 in the country with a +2.5 ypp margin. However, Toledo is also No. 1 in the country the last 5 years suffering 18 outright upset losses. We like Miami who should have upset Ohio last week and boast a 19-4 record in conference action

the last 3 years.

CENTRAL MICHIGAN 24 Buffalo 21. Buffalo has the much better ypp margin (+0.8 vs +0.1) but CMU has played a tougher schedule and are in better recent form with three straight covers while Buffalo has covered once in their last 7.

Thursday, November 13th

OLD DOMINION 31 Troy 20. Both have exceeded preseason expectations as they've already topped their win totals. ODU is much better in ypp margin (+1.9 vs -0.6) and has the much more explosive offense. We haven't bet side or total.

Friday, November 14th

LOUISVILLE 28 Clemson 24. This is the first time this season that Clemson is an underdog. The Tigers are remarkably 4-5 despite being favored in all 9 games. They are off their best performance of the season while Louisville is off by far their worst losing outright as an 18.5-point favorite. Jeff Brohm teams usually play to the level of the competition. We like them here especially at -2.5.

ORÉGON 36 Minnesota 12. Huge discrepancy in ypp margin as Oregon is +3.3 (No. 1) while Minnesota is -0.1 despite a 6-3 record. The Ducks are on a short week after a 60-minute battle with Iowa while Minnesota is off a bye. Check injury status for Oregon WR Moore and TE Sadiq who both missed last week. We like OVER.

<u>Saturday, November 8th</u>

GEORGIA SOUTHERN 32 Coastal Carolina 28. Coastal already clinched bowl eligibility despite being -80 ypg on the season. Georgia Southern is off one of their best performances of the season upsetting rival Appalachian State despite settling for four short FG's. They have extra time to prep playing last Thursday. We bet GS!

CONNECTICUT 35 Air Force 28. Air Force is off a misleading upset win over San Jose State and still has bowl hopes if they can win out. UConn is off a big upset over Duke as the Huskies have a Top 20 offense and also lead the nation in sacks on D. They have lost outright as a favorite a couple times this year though. We lean AF +7.5.

Utsa 38 CHARLOTTE 20. UTSA has been up and down this year and coming off a blowout loss to USF. Charlotte has been mostly bad with a banged up roster under a new head coach. Pass.

GEORGIA 28 Texas 21. Texas is off a bye. Prior they played their best football of the season (albeit for 45 minutes vs Vanderbilt). The Horns are still 2-7 ATS on the season. Georgia is off a comfortable win at Mississippi State. Both teams are +1.1 in ypp margin but UGA has played the tougher schedule. They also beat Texas twice last year in the underdog role. We bet UGA -5.5.

JAMES MADISON 37 Appalachian State 17. JMU might be the best Group of 5 team right now as they've won 7 straight (we still have USF higher in our power ratings). App State has been a mess under first-year coach Dowell Loggains. This is their largest ever underdog role in Sun Belt action (+17.5 vs Georgia Southern back in 2014...first year in conference). We lean with them especially at +21.5

CINCINNATI 31 Arizona 24. We like the spot here for Cincinnati. It's a "buy low" after their worst performance of the season getting crushed at Utah. They had a bye week to re-group. Meanwhile, Arizona is off a misleading win over Kansas where they should have lost outright. They've been much better at home than away this year.

EAST CAROLINA 31 Memphis 28. One-factor handicap here as you have to check the status of Memphis QB Lewis who is questionable. He's been banged up as of late but has been able to play. Memphis is off a crushing loss to Tulane that probably ended their playoff hopes. East Carolina has quietly been impressive this year with a +142 ypg margin (No. 13) and a +16.6 ppg margin (No. 15) which are both better than Memphis.

Marshall 35 GÉORGIA STATE 28. Georgia State is the worst ATS team in the country at 1-8 ATS failing to cover their games by an average of 9.9 ppg. They're allowing a nation-worst 40.7 ppg on defense. That's not good news vs a high-flying Marshall team that has seen their scored 9 points in the final minute to upset Louisiana Tech last week. games go OVER the total in each of the last 6 by an average of 19 ppg. 3 We bet Delaware.

HOME TEAM IN CAPS South Florida 37 NAVY 26. Navy benefited from a weak schedule this year (No. 135 vs USF No. 66) and are now starting to get exposed having lost two straight. QB Horvath was a late-scratch last week and is questionable here. The Middies have failed to cover 6 straight games by 7.5 ppg. Not good news for a USF team making a G5 playoff push. Georgia Tech 36 BOSTON COLLEGE 21. BC has now lost 9 straight games. After two solid efforts vs Louisville and Notre Dame, they got drilled in the second half last week vs SMU. Now they face a fresh GT team off a bye. If GT wins the next two, they're heading to the ACC Championship. We bet BC +17.5 but are passing at current. DUKE 31 Virginia 25. UVA's luck finally ran out last week. They hadn't lost a fumble all season but lost 3 in the upset loss to Wake Forest. Now they face a Duke team that is also coming off an upset loss. Check the status of UVA QB Morris who was KO'd last week (concussion). We like Duke but the early market moves say Morris is playing. FLORIDA STATE 34 Virginia Tech 21. FSU remains impressive in the box score but not on the scoreboard. The Noles are just 4-4 when outgaining their opponents by 40 yards or more this year. The rest of CFB is 263-30 (90%) in that role this season. VT is off a bye. They still have a shot at a bowl but the market is telling us FSU is the side. INDIANA 36 Wisconsin 7. Indiana got a thrilling final drive to beat Penn State last week. The Hoosiers are getting a lot of love (especially QB Mendoza) but we think they'll get exposed in the Big Ten Championship game. On the other side, Wisconsin has been feisty on defense but the Badgers have the worst Power 4 offense. They're off an upset

win over Washington but we can't see them doing much here. MIAMI 36 NC State 20. Tough trusting this Miami team that has lost 4 times as a big favorite the last couple of years. NC State upset Geor-

gia Tech prior to the bye. The Wolfpack offense can be dangerous but their defense ranks No. 118 in ypp allowed (Miami No. 9). We actually lean Miami here who needs style points to get a CFB playoff spot. Penn State 28 MICHIGAN STATE 21. Our ratings say Penn State is

the play here but the spot screams Michigan State. The Spartans are off a bye and prior to it outgained Minnesota by 166 yards. Penn State is off an emotional loss to Indiana where they gave an "A" effort. We're going to keep an eye on who is expected to start at QB for MSU. We prefer Millvojevic to Chiles at this point.

OHIO STATE 39 Ucla 9. The Buckeyes just had their first non-cover dating back to last season's Michigan game. They "only" beat Purdue by 24 as a 29-point favorite. Now they're laying 32 to a UCLA team that looks like the "interim bump" is starting to fade as they lost outright to Nebraska last week (Huskers had a true frosh backup QB). Ohio State's defense is by far the best unit in CFB on either side of the ball. However, the offense's slow tempo (No. 134) makes it tough for us to lay this kind of number. Pass.

Notre Dame 35 PITTSBURGH 23. ESPN College Gameday will be here as this game serves as a playoff eliminator for ND considering they only have Syracuse and Stanford left (28-point or more favorite in each). Since 2000, ND is 35-0 straight up laying 7 or more on the road (not a typo 35 and 0!) and 21-14 ATS with an average cover of 5.4 points per game. Pitt has been red-hot with 5 straight wins and covers and is coming off a bye. However, for the 7th straight week, ND is taking money in the mid-to-late week markets. We prefer OVER.

WAKE FOREST 23 North Carolina 17. Wake is coming off an upset win over Virginia that got them to bowl eligibility. They did get outgained by more than 100 yards, were +3 in TO's and got an 88-yard punt return TD. They're playing a NC team off back-to-back wins. We would need a "+7" to show to back NC though.

Eastern Michigan 26 BALL STATE 24. EMU got a nice win and cover over BG last week. They're taking on a Ball State team that should have lost outright to Kent State. Our ratings lean EMU but tough backing them as a road favorite. Pass.

ALABAMA 25 Oklahoma 21. We like the spot here for Oklahoma coming off a bye with more urgency as a loss eliminates the Sooners from the CFB Playoffs. Alabama continues to have more impressive final scores than box scores. Per Bill Connelly, their post-game win expectancy would have them with 6 wins, not 8. This makes them a little over-valued in the market. Oklahoma is better in ypp margin (+1.3 vs +0.9), have the better defense and better run game.

Delaware 33 SAM HOUSTON STATE 23. Sam Houston is off one of the biggest upsets of the season as they beat Oregon State 21-17 as 21-point underdogs. It was the most misleading final of the season as the Bearkats were outgained 317 yards! They got a pair of non-offensive TD's. Their QB Watson is out this week. Meanwhile, Delaware

Oregon State 24 TULSA 23. How does Oregon St react to losing another game they had no business losing? The Beavers outgained Sam Houston by 317 yards...not a typo...317 YARDS but lost outright as 21-point favorites. Now they're laying points on the road? Lean Tulsa. SOUTHERN MISS 35 Texas State 29. Texas State lost yet another game as a favorite last week. That's now 9 losses outright as a favorite the last two years. They also lost three starters to a post-game fight who were suspended for this game. DE Tymere Jackson (352 snaps), CB Khamari Terrell (506 snaps) and OL Justin DeLeon (292 snaps). They do have the better ypp margin and have played the tougher schedule (No. 77 vs No. 117). We lean Southern Miss at current.

TEXAS TECH 37 Central Florida 15. Texas Tech had a dominant win over BYU last week on their biggest stage of the season so far. The Red Raiders have the best ATS record in the country at 9-1 ATS covering their games by an average of 8 ppg. Call us suckers for punishment because we bet UCF +24.5.

Kansas State 37 OKLAHOMA STATE 17. Both teams come in off a bye with not much to play for. Kansas State is out of Big 12 contention, Oklahoma State is just playing out a season with an interim. Pass.

Utah 34 BAYLOR 26. When they play their "A" game like they did vs Cincinnati, you could make a case that Utah is a sure-fire Top 10 team and maybe even a Top 5 team. They need help when it comes to the Big 12 championship and are unlikely to pass up SEC teams for an at-large spot. Will they look for style points if given the opportunity? **OLE MISS 34 Florida 20.** While it is not a liquid market, it is interesting to note that the "look-ahead" line on this game had Ole Miss -7.5. The Rebels crushed FCS Citadel 49-0 (didn't cover). So how are we sitting at 15.5? How about Florida losing 38-7 as a 4.5-point favorite. Did they wave the white flag on the season? Market thinks so. Our ratings can't get there.

MISSOURI 31 Mississippi State 23. Missouri QB Zollers was overwhelmed in his first start going just 7 of 22 for 77 yards vs Texas A&M. He should have an easier time vs a Mississippi state defense that ranks No. 91. The Bulldogs still need another win for bowl eligibility. Is Missouri HC Drinkwitz going to be there next year?

TULANE 40 Florida Atlantic 23. Tulane got a big win over Memphis last week to remain in the G5 playoff hunt. However, it looks like North Texas and USF could have the edge when it's all said and done in the ratings. We didn't bet side or total.

TEXAS A&M 35 South Carolina 16. Even though they were playing against a backup QB last week, we came away super impressed with Texas A&M's 21-point win at Missouri. Last we checked the backup QB didn't play on defense and the Aggies put up 464 yards on a defense that allows just 270. South Carolina is off a bye. Their No. 129 offense has no chance to keep pace. Lean OVER.

LSU 31 Arkansas 24. LSU played hard last week at Alabama but it wasn't enough. Will they go to Van Buren at QB here? Arkansas has not shown quit on the season. They are 2-7 SU but are +54 ypg and are still +19 in points margin. However, they've been eliminated from bowl contention and we're not wild backing interims off a bye.

South Alabama 27 UL-MONROE 23. Both teams coming off a bye. Both were not in good form entering it. ULM has lost 5 straight and failed to cover in all 5 prior. South Alabama is on a 1-5 SU and ATS run. We're on the sidelines here.

North Texas 41 UAB 24. North Texas will be at least a 2-TD favorite in their remaining 3 games. If they win all 3, they're likely heading to the AAC Championship game with a spot in the CFB playoffs on the line. Not bad for a program that's never reached 10 wins at the FBS level. UAB has been better in the box score than the scoreboard the last two weeks. Our ratings lean UNDER but we haven't bet it yet.

ILLINOIS 34 Maryland 20. Illinois comes in off a bye. While they don't have any Big Ten or playoff aspirations, they can still get to 10 wins if they win out (including the bowl). Maryland has lost 5 straight and the cries to fire Locksley are growing.

† Michigan 26 Northwestern 16. @Wrigley Field in Chicago, IL. Michigan comes in off a bye. The Wolverines were really banged up prior especially on defense. They only beat Purdue by 5 laying 21. Northwestern is still stuck on 5 wins and we expect max effort. Early week market likes Michigan. We prefer the dog with two slow tempos. Kennesaw State 28 JACKSONVILLE STATE 26. A CUSA Championship preview? Both teams are shockingly 5-0 in conference play entering. Jacksonville State was 25/1 to win the league prior to the season while Kennesaw State was 50/1. We think Jacksonville State has been a little under-valued thanks to their No. 4 rushing offense. Kennesaw is on back-to-back road trips after not covering last week. We bet Jacksonville State +3.5.

NEW MEXICO 33 Colorado State 19. Many teams have gotten an interim bump this year. Colorado State is not one of those teams. They've been blown out in each game since the firing of Norvell by a combined 70-10. That's not good news vs a fresh New Mexico team off a bye. We bet New Mexico but the market has really moved.

BYU 28 Tcu 25. BYU finally got exposed last week in Lubbock as the 29-7 final could have been even worse. The early week market seems to be fading them again here as there were a lot of TCU buyers at "+6.5" and "+6". TCU had a misleading loss to Iowa State (see page 1) and we're expecting a bounce back performance here.

ARIZONA STATE 30 West Virginia 19. West Virginia is playing their best ball of the season with back-to-back wins and three straight covers. They are taking on an Arizona State team off a bye. Prior to it, the Sun Devils upset Iowa State thanks to backup QB Jeff Sims setting an ASU QB-record with 228 rushing yards. He's starting again here with Leavitt out for the year. We lean OVER.

MISSOURI STATE 27 Utep 23. Missouri State has far exceeded expectations this year. Their season win total was 4.5 and they already have 6. Last week they upset Liberty on the road. Meanwhile, UTEP has been a disappointment. We're passing.

FRESNO STATE 24 Wyoming 19. Both teams come in off a bye. Prior to it, Fresno State pulled a massive shocker as they beat Boise State 30-7 as 17.5-point underdogs. It was aided by Boise's QB getting hurt. However, Fresno has been a surprise this year. Wyoming needs to win 2 of their last 3 to get to bowl eligibility. We lean Fresno.

USC 27 Iowa 21. USC still has an outside shot at the Big Ten Championship game and also the CFB playoffs provided they win out (at Oregon next week). USC does have an extra day to prep having beat Northwestern last Friday night. Iowa just lost their "all-in" game at home to Oregon losing on a FG late.

WASHINGTON 34 Purdue 17. Washington is off an upset loss to Wisconsin last week. They've been eliminated from playoff contention. More pertinent to this game is the status of RB Jonah Coleman and WR Denzel Boston. Both were banged up last week and are questionable here. If neither play, Purdue is worth a look. We lean UNDER. WESTERN KENTUCKY 33 Middle Tennessee 21. Middle Tennessee got boat-raced at home as a 1-point favorite last week to FIU. Have they waved the white flag on the season pow at 1,82 This line season.

they waved the white flag on the season now at 1-8? This line seems to think so. WKU is still in the race for the CUSA Championship. The Hilltoppers are 7-2 SU and 7-2 ATS.

San Jose State 30 NEVADA 20. It's beginning to sound like a broken record but this is the week where we start to question if teams have decided to pack their bags for the season. It certainly looked that way for Nevada last week as they trailed Utah State 41-0 at halftime last week. San Jose State needs to win out to get to a bowl. We like them at -9.5. TENNESSEE 52 New Mexico State 10. We're not wild about lay-

ing big points but we can make exceptions for Tennessee. Last year they beat UTEP 56-0, Kent State 71-0, Chattanooga 69-3. This year they rolled East Tennessee State 72-17 and UAB 56-24 (Blazers backdoored them). We lean Tennessee.

Liberty 26 FLORIDA INTERNATIONAL 25. Liberty continues to disappoint. They've lost six games outright as a favorite the last two years including last week to Missouri State that basically ended their CUSA hopes. Now they're laying points on the road to a FIU team that is still looking for a bowl berth? We bet FIU.

UNLV 36 Utah State 31. UNLV is off their best defensive performance of the season as they limited Colorado State to 10 points and 292 yards. The Rebels offense continues to hum along ranking No. 9 in yards per play. They'll need both here vs a Utah State team that has been better than expected under first-year head coach Bronco Mendenhall. We're waiting for a possible "+7" to show.

WASHINGTON STATE 27 Louisiana Tech 18. Louisiana Tech led Delaware 24-16 in the final minute last week and lost 25-24. They also lost their starting QB Baker for the season. Now they're making a very long trip to Pullman taking on a Washington State team that is fresh off a bye and still thinking about a bowl game. Easy to see why the early week market is on Wazzu here.

SAN DIEGO STATE 22 Boise State 20. Boise State will be starting Max Cutforth at QB here with Maddux Madsen out. The Broncos did have two weeks to get him ready. He wasn't ready when he had to come in vs Fresno State two weeks ago as the Broncos got crushed 30-7 as 17.5-point favorites. Speaking of getting crushed as a favorite. San Diego State was laying 6.5 at Hawaii last week. The Aztecs had won and covered in six straight games. They lost 38-6! We expect both to be in better form here. The winner is likely heading to the Mountain West Championship game, the loser joins a log-jam of 2-loss teams.

Week 12 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 506-441-14 (53.4%) clip! Last week our computer went 0-2and for the season now stands at 17-27-2. That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 43games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Jacksonville State +3.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). So far this season we are 175-140-1 55.5% (CLV 230-59-27 +1.75 ppg) Below is some of what we bet already for Week 12 which includes bets we made in the summer for this week

\$575 (302) Western Michigan +2.5 (Fan Duel) \$575 (304) Akron -4.5 (Draft Kings) \$550 (308) Miami, OH +3.5 (Fan Duel) \$550 (310) Central Michigan -2.5 (ESPN Bet) \$550 (317) Minnesota OVER 44.5 (Fan Duel) \$590 (318) Oregon -20.5 (Fan Duel) \$550 (320) Georgia Southern -1.5 (Fan Duel) \$570 (321) Air Force +10.5 (Fan Duel) \$575 (326) Georgia -5.5 (Fan Duel) \$550 (333) Marshall -5.5 (Draft Kings) \$550 (335) South Florida -8.5 (Fan Duel) \$550 (338) Boston College +17.5 (Fan Duel) \$550 (340) Duke UNDER 59.5 (ESPN Bet) \$550 (348) Michigan State +8.5 (Fan Duel) \$600 (357) Oklahoma +7.5 (ESPN Bet) \$550 (359) Delaware -7 (Draft Kings) \$550 (365) Central Florida +24.5 (Fan Duel) \$550 (373) Miss State OVER 50.5 (Fan Duel) \$550 (374) Missouri -5.5 (Fan Duel) \$550 (380) LSU -4.5 (Fan Duel) \$610 (390) Jacksonville State +3.5 (Fan Duel) \$525 (392) New Mexico -12.5 (Fan Duel) \$525 (395) West Virginia OVER 46.5 (Fan Duel) \$610 (396) Arizona State -9.5 (Fan Duel) \$625 (401) Iowa +7.5 (ESPN Bet) \$550 (412) FIU +4 (Draft Kings) \$550 (416) Washington State -3.5 (Draft Kings) Game of Year Bets we made in the summer

(posted in the CFB Preview Guide):

\$550 (370) Baylor +1.5 (Westgate)...YIKES!

Versus Circa Sports Opening numbers:

If you got in front of every 3-point or more move in the FBS vs FBS markets (sides and totals)... congrats you are 203-143-1 (58.7%) this year.

If you faded every 3-point or more move right before kickoff...congrats you are 178-161-8 (52.5%).

Numbers matter!

Games in Rotation Order Thursday, November 13th

NEW ENGLAND 27 N.Y. Jets 14. Due to the weakest strength of schedule, we questioned the Patriots. They were playing a 10th straight week and traveling. Tampa was off a bye. Call us impressed. New England has now won 7 straight (6-1 ATS) and have a 2-game lead on Buffalo with an easy slate left. Coaching does make a difference. Meanwhile, the Jets got their 2nd win but it was a fluke as they got a 99-yard kick return TD and a 74-yard punt return TD. Early money is on New England. We lean UNDER.

Sunday, November 16th

† Miami 26 Washington 23. @Santiago Bernabeau in Madrid, Spain. Just when you think Miami's season might be over, they pull you back in. Last week they avenged 7 straight losses to the Bills with a shocking 30-13 win as 8-point home underdogs. On the other side, Washington's season might actually be over. They've lost 5 straight and failed to cover in all 5. There's a bit of variance with the overseas games and the Dolphins have been "Jekyll and Hyde" the last month. Lean OVER.

Green Bay 25 N.Y. GIANTS 19. The Packers have been a huge disappointment since their 2-0 start. They are 1-5 ATS and 2-3-1 SU. They were favored in 5 of the games with the MNF game here on the road. The Cardinals could be a solid teaser option. vs Philly being pick'em at close. Meanwhile, the Giants led the Bears 20-10 in the middle of the fourth quarter but lost last week. They correctly fired Brian Daboll. Mike Kafka is the interim and he could go with Jameis Winston here if Jaxson Dart doesn't clear concussion protocol. We've had a couple of Giants orders this week and we think they are the sharper side.

BUFFALO 26 Tampa Bay 21. Just when you thought the Bills had turned their season around, they lose 30-13 as 8-point favorites to the Dolphins. That's 3 upset losses for them now and a disappointing 2-5 ATS mark in their last 7. Speaking of disappointing... the Bucs fell at home to the Pats last week. They were off a bye and we thought in a good spot. Their next two games are at Buffalo here and at the Rams so the losses could start to mount. It might not matter considering their horrible division. We're passing.

PITTSBURGH 28 Cincinnati 22. Cincinnati upset Pittsburgh 33-31 as 5.5-point home underdogs back on October 16th. Now they're only 5.5-point road underdogs. The Bengals are off a bye after suffering two excruciating last second losses to the Jets and Bears. Meanwhile, Pittsburgh is off their worst performance of the season losing 25-10 on SNF to the Chargers. We expect them to bounce back. With Cincinnati's defense being historically bad, the OVER is on a 7-1 in their games.

Houston 23 TENNESSEE 17. Houston trailed Jacksonville 29-10 entering the fourth quarter last week. They had a backup QB in Davis Mills. Somehow, they outscored the Jags 26-0 and got the improbable win. They kept them in the playoff hunt. Mills could get the start again here. We'd rest Stroud again vs a 1-8 Tennessee team that's dead last in ypp, DVOA and Sagarin. Buffalo, Indy and KC are on deck for Houston. We're passing.

MINNESOTA 27 Chicago 23. We like Minnesota here. The Vikings are better in ypp margin (+0.0 vs -0.4) and have played the tougher schedule (No. 15 vs No.25). They rank higher in DVOA and Sagarin. We also like that they are off a loss where they had a 6.0-4.9 ypp edge vs the Ravens but were done in by turnovers. Meanwhile, the Bears had an improbable come-from-behind win vs the Giants (trailed by 10 in middle of the 4Q).

ATLANTA 23 Carolina 19. The Panthers are a very fraudulent 5-5 team and finally got exposed losing outright to the lowly Saints last week. Carolina ranks No. 29 in ypp margin (-0.9) despite playing the No. 27 toughest schedule. Meanwhile, the 3-6 Falcons are better than their record. They are +0.2 in ypp margin despite playing the No. 16 schedule. We'd be on Atlanta here if it weren't for them coming off an OT game in Germany last week.

HOME TEAM IN CAPS L.A. Chargers 23 JACKSONVILLE 21. The Chargers have bounced back from a mid-season swoon that saw them lose 3 of 4 games. Now they've won 3 straight and they had an impressive 25-10 over the Steelers on SNF. Somehow Jacksonville blew a 29-10 fourth quarter lead to a Houston team QB'd by Davis Mills. Will there be a hangover from that blown opportunity here? The Jags have played the tougher schedule (No. 7 vs No. 26).

L.A. RAMS 26 Seattle 23. These teams rank No. 1 and No. 2 in DVOA (advanced stat metric). The Seahawks are No. 1 in ypp margin at +1.7 but have only played the No. 24 schedule. The Rams are +1.0 in ypp margin but have played the No. 19 schedule. Both blew out division rivals last week. Both are 7-2 straight up and 7-2 ATS. As of right now, we don't see a ton of value. We would be interested in the Seahawks at "+3.5"

San Francisco 25 ARIZONA 23. Both teams suffered humbling losses to division rivals last week. With Carolina, Cleveland and Tennessee on deck, this is a chance for the 49ers to make a playoff push. They are really banged up though and playing an 11th straight week. Meanwhile, Arizona had a bye a couple weeks ago. These two played back in Week 3 with San Francisco winning 16-15 as a 1.5-point home favorite. We 're not wild about laying the points

Baltimore 25 CLEVELAND 16. The Ravens have won and covered three straight and are back in the driver's seat when it comes to the AFC North. The Browns are always in the backseat...maybe even the trunk when it comes to the division. They somehow lost to the Jets last week despite allowing only 169 yards. the Jets got a 99-yard kick return TD and a 74-yard punt return TD. Baltimore crushed Cleveland 41-17 as 12.5-point favorites in Week 2. We love them in a teaser.

Kansas City 23 DENVER 19. The Chiefs come in off a much-needed bye. They've already suffered four losses and are trailing by multiple games in the division. They have a chance to make up some ground here. The Broncos are 8-2 but have played a weak schedule (No. 29). Their defense has 46 sacks in 10 games, the most in NFL history. The problem is the offense only managed 10 points and 220 yards to the Raiders last week. That won't be good enough here. We lean UNDER.

PHILADELPHIA 24 Detroit 21. This is the best slate of late games in the NFL all season. You get a possible NFC playoff game here. The Eagles are starting to find themselves with three straight wins and covers. They are on a short week after beating Green Bay 10-7 on MNF. Meanwhile, the Lions moved to 13-0 ATS after a straight up loss. They averaged 8.0 yards per play and put up 546 yards avenging the loss to the Commanders in the playoffs last year. The Lions are better in the stats with a better ypp margin, DVOA rank and Sagarin rank. However, the Eagles are ascending and the rarly week money is on Philly as this game opened PHI -1. Monday, November 17th

Dallas 27 LAS VEGAS 23. The Cowboys come in off a bye. It's been a disappointment at 3-5-1 and off back-to-back losses. During the bye, DE Marshawn Kneeland took his own life and they will be playing with heavy hearts here. The Raiders do have extra time coming off a lousing 10-7 loss to the Broncos. They covered the spread but their offense managed just 188 yards and 3.2 yards per play. They'll need a heck of a lot more to keep pace with Dallas' offense.

Byes: Indianapolis and New Orleans

Week 11 Trends Favorites-Dogs Straight Up 9-4 ATS 6-6-1 Home-Away Straight Up 8-5 ATS 6-7 Totals (O/U) Over-Under 7-7

BP SPORTS 2025 L PACK

Item:	Regula	r: Sale:
2025 CFB Preview (Win Totals, Futures)	\$50	\$10
2025 Newsletter (Includes Writeups)	\$100	\$30
2025 VIP Service (CFB/NFL Best Bets)	\$749	\$299
Should I sign up for the Newsletter or VIP?		
	NL	VIP
Bet less than 10 games each week	/	
\$100 or less per bet	V	
Can only bet on Gamedays	V	
One Update Sent Each Week		
Bet more than 10 games each week		
\$250 or more per bet		
Can bet early in the week		
Doily undetection Emoil /Toyt		

WEEKLY NEWSLETTER

Daily updates via Email/Text

- Emailed every Wednesday during the season
- Write-ups on every CFB/NFL game each week
- ATS Trends Bad Beats Misleading Finals
- Major Injuries CFB Power Ratings on all teams
- ATS Schedule Logs for every CFB/NFL team
- Computer Projected Lines for Every CFB Game
- Will Include Score Projections but will NOT include Best Bets (VIP Only)

025 CFB PREVIEW

- Emailed in Mid-July
- Team-By-Team 2025 Projections
- Brad Powers' Vegas Power Ratings
- Projected Lines on Every Game
- Season Win Total Projections & Best Bets
- Pointspread Value for Starting QB's
- Heisman, Conference & Title Future Bets
- Game of Year & Week 1 Best Bets
