Flat Bed Digital Die Cutter

SDDC-1290 Pro

Shark Finishing Machinery proudly introduces the SDDC-1290 Pro Flat Bed Digital Die Cutter—a powerful solution engineered to cut a wide variety of materials with exceptional precision and efficiency. Designed for versatility, the SDDC-1290 Pro performs cutting, scoring, perforating, and kiss cutting in a single system, making it ideal for both short runs and high-value production work. An intuitive LCD touchscreen, QR code recognition, and compatibility with most PC and Mac operating systems make setup and operation simple while integrating smoothly into your existing workflow.

Each system includes three user software, plus plug-ins for Adobe Illustrator and CorelDRAW, giving operators the freedom to work in the design environment they prefer. Files can be accessed easily through your network connection or offline via USB, ensuring convenient and reliable production.

Perfect for producing boxes, door hangers, stickers, tags, labels, business cards, postcards, invitations and more. The SDDC-1290 Pro delivers consistent, high-quality results across a wide range of applications. Combining precision engineering, powerful performance, and user-friendly operation, this digital die cutter provide the ideal solution for producing premium, professional-grade products with speed and confidence.
