

## WOOSH Plan for Launching at BONG under COVID-19

Approved July 13, 2020

This document has been prepared and reviewed by the Officers of WOOSH with the assistance of Paul Kinzer, and John Cieslak

NRC and Sport Launch Plan for WOOSH NAR section 558 for launching at the following locations

1. Bong Recreation Area – See Appendix A

### **Event Participant Guidance**

This document lists procedures for participants to follow for a safe launch under the latest COVID-19 protocols. It is designed to be shared with members, persons attending the event, and local authorities.

### **Activities description**

- Sport Launch including High Power
- NAR NRC Launch (Contest)

### **Number of participants (contestants)**

The number of participants at the field is restricted to a maximum of fifty (50) persons. This is due to social distancing practices as recommended by CDC guidelines and rules in place by the State of Wisconsin DNR.

### **Pre-Launch Registration is required**

Preregistration is set up on the [www.wooshrocketry.org](http://www.wooshrocketry.org) website using the WOOSH online registration form. Saturday and Sunday will be available for the first 50 pre-registering persons for each day.

From the home page click the desired **LAUNCHSIGN UP button** which directs you to the **LAUNCH SIGN UP page** for the event preregistration.

**NOTE:** This is required in advance to attend the launch.

### **NRC Contestants Flyers**

1. Email the Contest Director (John Cieslak) at [mrjcphoton@outlook.com](mailto:mrjcphoton@outlook.com) to reserve a launch slot. This is to ensure we have sufficient forms and supplies. Note NRC contestants can also be sport flyers.
2. An NRC Self-Serve Check IN table will be provided for registration. General Attendance sheet, flight cards, and last-minute instructions will be at this table. Clipboards, forms, and pens will be provided along with some disinfectant wipes.

### **Safety Measures:**

- **Social distancing:** A six-foot minimum distance will be followed and practiced. PPE such as facial covering and gloves are recommended.
- **Hand Sanitizer:** Will be at the field at the registration and flight card tables
- **Parking:** Vehicle to vehicle spacing will be increased to a nominal car width or an approximate six (6) foot open spacing between the vehicles. See Appendix A
- **Fire Protection equipment:** water spray equipment will be onsite.
- **Members who are ill for any reason, or who have any virus symptoms, should not attend the launch.**

Appendix A – Bong Recreation Area.
