## House Readings ~ Clearings ~ Blessings

**House Readings** ~ Every House tells a Story! A **House Reading** will assist the owner by understanding the Energy makeup of their home. Within the structured walls are many objects, people, guests, energies, vibrations, spirit forms and activity. **Old** or **Brand New**, there is Energy that Exists. Even the land that your home dwells upon, has Energy from its Past.

**House Clearings** ~ Most people that ask for a **House Clearing** *Feel, Hear or See Activity in their Home*. They know it is there and it exists, though they do not fully understand what it is, or how to Release this Energy. If there is an 'outside' Energy that has found its way into your Home, or may have already existed prior to your arrival, one may immediately and/or over time, sense a different personality within themselves, family members or pets. Is your Energy Tired, Irritable, or do you have Relationship issues, money problems, wild dreams or strange activity going on that just won't stop? It may be time to "**check-in**" and figure out IF there is an **Active-Energy** going on within your Home.

Whether you have energies moving in or about your **Home** or not ~ it is always a good idea to have a **House Clearing**.

Everything needs to be Cleansed eventually. Like Dust settling onto Furniture, or a dog with mud on his paws walking across the white carpet leaving pawprints, or a pile-up of boxes stored in the corner of the basement or a room, just sitting there stagnant. It's **HOLDING ENERGY!** Eventually things will need to be broken down, sorted through, **Cleansed** and **Cleared**. **Feng Shui** is an **Ancient Art** that teaches how to balance out these Energies in any given space of the home, which enables the inhabitants to live in a restful and peaceful sanctuary.

Your home has multiple guests, families, friends, activities, and parties, and that is a **LOT of ENERGY**. Technology is also a big Energy Sucker, like Televisions, Radios, Phones and Computers, these items fill the house with electromagnetic activity. We typically aren't going to let go of these items, though we can learn how to **Seal** the energy being emitted from these devices, as to keep things in and around the home at peace. Spirits tend to use Electronics to bring themselves forward!!!

We all have a home, and we all have activity, good or bad.

It is important to Keep the **House Clean of Debris** from the **Floor's Foundation** all the way to the **Roof Top**.

**Energy is Energy**, good or bad ~ It's everywhere.

Mary performs **House Clearings** of Old Energy and unwanted Activity. She looks for open Portals that may be an **Entry for Energy** wanting to try and enter in, and begin to hang out within your home.

During Mary's **Session**, she will begin her Routine, by **Reading** the House as she enters each Room. Then she will **Clear** any unwanted and/or unnecessary energy held within, and conclude with a **House Blessing**.

*Believe it or not ~ we can do this via phone if you are not local.*
