

## Love That Lasts!

God is always walking with you and His love covers you. There is nothing in this world that can stop His love from operating in your life.

God's love for you isn't based on what is happening in your life or even on what you do for Him. His love is eternal and His love is forever. Nothing you do can will ever stop Him from loving you. With each step you take, with each situation you face, God's love is there for you because it is a part of Him. He cannot separate Himself from His love for you.

Throughout the Bible, God has repeatedly expressed His love towards you in a million different ways. No matter what is happening around you, God loves you and calls you His own child. Think about it, the Spirit of God testifies that you are God's child (Romans 8:16).

God not remote or inaccessible. Circumstances can't stop Him. People can't stop Him. Finances can't stop Him. It does not matter what your nationality, gender or social status is. Nothing can stop God from loving you!

God is all-powerful and all-knowing. He is never been surprised by circumstances. He is for you, He will always be with you and He wants you to trust in His plan.

*"For I know the plans I have for you, says the Lord. They are plans for good and not for disaster, to give you a future and a hope" (Jeremiah 29:11).*

God has a purpose for your life. Right now what may seem to be an array of jumbled events is not meaningless at all. After all, you are in God's hands and He loves you more than you could ever know.
