- ❖ **Spring series (Feb-May):** Four, 1.5-hour sessions
Note: We will have a fall series Sept-Dec. Attend one or both series; earn up to 1.2 ASHA CEUs if you attend all sessions in each series.
- ❖ **When:** The first Thursday of the month at 5:30-7:00PM
- ❖ **Location:** Remote via Zoom (a session-specific link is emailed the week of each session)
- ❖ **Earn up to 0.6 ASHA CEUs (Intermediate Level; Professional area).** In order to receive CEUs, you must attend at least 3 out of 4 sessions (certificates provided).

Course Description

The study group will be divided into four topics impacting the practice of medical-based speech-language pathologists. Professionals from various settings in the healthcare continuum will present topics and share research, with allotted time for open discussion and application to current caseloads.

Agenda

5:30-6:30 Presentation by facilitator including research
6:30-7:00 Guided discussion and application of information

Learner Outcomes

As a result of this study group participants will be able to:

1. Provide rationales regarding use of therapeutic strategies.
2. Use principles of evidence-based practice to analyze approaches to

Registration
