

## Middle School Small Business Project

### Equipment and Supplies

- Screen Printing Starter Kit - \$599, free shipping.
- Print - Vectorizing \$29.99 + film print \$9.99 + shipping \$9.99 = \$49.97
- Exposure Unit - \$409.99, Free shipping
- T-Shirts \$2.53 (2xl is \$2.00 more per shirt)

### Suppliers I used

- <https://www.neverthelessscreenprintingsupplies.com/> For Screen Printing Equipment
- <https://www.shirtspace.com/> for T-Shirts

### What the students will learn about silkscreening

- How to apply emulsion to the screen
- How to expose the screen to put the image onto the screen
- How to align the shirt to correctly position the logo
- How to apply the ink
- How to cure the ink
- Packaging and shipping

### They also learn small business

- 1. Researching for supplies and materials
- 2. Material costs
- 3. Profit/loss margin
- 4. Inventory control
- 5. Advertising
- 6. Customer Service

TEAMWORK!
