Bible story Jesus Loves Me	20 Circle	21 Square	22 Triangle	23 Oval	24 Diamond	
Review	27 Rectangle	28 Star	29 Shape collage	30 Shape collage		

Dear Parents,

We are so excited to start the year and get to know you and your children. Our lesson plan is very loose this first month as our main concern is to make sure the children feel comfortable, secure and loved. We will learn about each other and the children will be adapting to our routine. We will talk about our families and new friends and all the wonderful things one year olds can do. Many of our stories, songs and art projects will be along this theme too. We have implemented a new program into our curriculum this year, ABC Jesus Loves Me. We will be adding stories and songs from Bible based curriculum into our daily schedule.

Please bring in a family photo or email us a photo. The children love to look at their family photo throughout the day. We will be talking about our families and showing the pictures to our new friends too. We will also have fun playing outside, going on stroller walks, painting, singing, reading picture books and playing silly games. Of course there will be lots of hugs too.

We look forward to the start of school and our new class of toddlers. It will be a joy watching them grow in amazing ways throughout the year!

Please send in enough 2 part snacks for 16 children for the month. You can send them at the beginning of each month.

Snack should consist of 2 parts - Fruit or Vegetable, grain, or dairy

Some favorites are fresh fruit, fruit cups, applesauce, raisins.

Goldfish, Graham crackers, fruit and grain bars

Cheese, yogurt

Thank you!!

Ms. Barb
