Rector's Letter to the 4th Day CURSILLO #170

ON THE WAY

"Let us hold on firmly to the hope we profess, because we can trust God to keep his promise. Let us be concerned for one another, to help one another to show love and to do good. Let us not give up the habit of meeting together, as some are doing. Instead, let us encourage one another all the more, since you see the Day of the Lord is coming nearer." Hebrews 10: 23 - 25

What does it mean to be a follower of Christ? After Peter had denied Christ, he asked him "Do you love me?" I am sure Peter was in disbelief as he said "Lord, you know that I love you!" Our Lord questioned him several times and said "then feed my sheep". Cursillo has been a part of my journey and helped me to focus more on feeding His sheep!

A relationship with Christ is about "loving" him so much that it causes us to act & think differently, to "do things" just because we love him. We can all have that relationship that we long for if we just open our heart. "For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved" Romans 10:10. Are we taking the good news out into the "Fourth Day"? Do we live as though we really believe? If we were one of the disciples and were there after his death, we would have experienced the Risen Christ! How much more would we be willing to do on the "Fourth Day"? I pray that as we gather together, we will draw closer to Him and seek His presence in every aspect of our lives, encouraging each other with faith and perseverance for the journey ahead! God will always equip us with everything we need to do his will and walk on The Way.

Please join me in prayer for each participant to fully experience the love of Jesus, to see the face of our Risen Lord and never look back, only want to move on and "Follow Him"! Please keep the team in your prayers that we may all serve Him whole heartedly, profess the Good News and build the Kingdom of God. We pray you will come Sunday and we would love to have you at the Utreya! We know the Holy Spirit will be there working in ways to strengthen us all!

In His Service,
Carey Freeland

ABOUT PALANCA

The Spanish word "Palanca" means "lever". In informal Spanish speech it is often said that someone who has influence has "palanca". As for us Christians, the only real influence we can expect to have in the religious life of our friends, the participants on a Weekend, is through prayer. Prayer is the ultimate palanca. Perhaps the most effective palanca we can give to a participant is a short, loving note which says, for instance, that we are praying or fasting for that person as he lives through the Weekend. Please save any gifts that you might wish to give to your participant friends for their return. Only those small items that fit into a business size envelope are desired by the Palanca Chas.

Group Reunion

The Group Reunion is a small group (3 to 6) of Cursillo friends who meet on a regular basis. The purpose of this meeting is to share with one another the growth that has taken place within each of them.

In a Group Reunion, we learn:

- to share our spiritual life: (piety)
- to grow in the knowledge of Christ (study)
- and to prepare various methods of passing on to others what we have learned (action)

As we make attempts to bring Christ into our various environments, we will sometimes become frustrated. The Group Reunion provides the continual support we need in order to persevere as a part of God's plan. If there is no group near you, pray for God's help in beginning one.

FROM THE DIOCESAN LAY COORDINATOR

Bill Clarkson

Cursillo #170 is scheduled to have 32 participants! It has been a while since there have been so many at a weekend for that very special time with Jesus, that we all know Cursillo can be! You may ask yourself, "How did this happen?" The answer is simple--Sponsors.

In this case, it was led by members of the team of #170, but any of us can do it. Yes, there is more to sponsoring someone for Cursillo than simply filling out the forms and I am not downplaying the importance of being a good sponsor. The cornerstone of sponsorship remains the combination of being there for wakeup, getting the participant to the Ultreya and into a Group Reunion, and of course, praying for them. What I am suggesting is that many of us have stopped looking for people for whom a Cursillo weekend and the Fourth Day could be a life changing experience.

Were you touched by your Cursillo weekend? Has your life been enriched because of relationships with other Cursillistas in the Fourth Day? Did you encounter God in a new way and become a better follower of Christ? For most of us, and especially for me, the answer to these questions is "yes." God may be calling you to sponsor a friend to go to Cursillo. Look for these opportunities and talk with your parish priest about them. If you have the time, consider filling out an application to serve on a weekend team. Applications can be downloaded from www.sccurisillo.com. Cursillo is a wonderful and effective renewal ministry. Don't keep this good news to yourself!

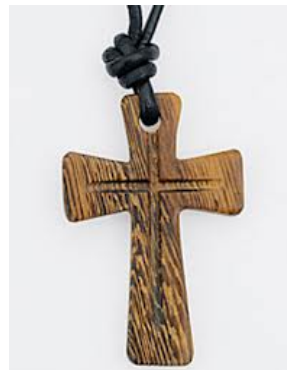

DeColores,
Bill

HELP US DOCUMENT THE HISTORY OF SC CURSILLO WEEKEND CROSSES!

Penny Crawford, Weekend #144, has been inspired to take on a project to document the history and beauty of the crosses from each weekend. As she gathers information, she will create a binder with pictures and historical data surrounding each cross. We can also create a Power Point for the website.

If you are led to help, please take a digital picture of your cross, and e-mail it to Penny (pandccrawford@aol.com), along with the following information:

- Cursillo Weekend Number
- Weekend Rector
- Maker of the cross
- Any pertinent information about the cross, such as materials, construction, etc.

PLEASE MAKE YOUR ANNUAL GIFT!!!

The Joy of Giving

"For where your treasure is, there your heart will be also." Matthew 6:21

God's grace and love is a free gift to us, and many of us found and accepted His gift on a Cursillo weekend. So that no one is held back from finding God's gift by the cost of a weekend, the Secretariat has given the gift of a Cursillo weekend to all Cursillo candidates, after their initial \$50 registration fee has been paid. This worthy idea and goal is called "The Joy of Giving" (JOG), and is working well in several other Dioceses.

We will need to raise money on an annual basis to make this happen, and this is where you come in. The Secretariat has approved asking each Cursillista in this Diocese to contribute \$100, or more, if possible. To be able to pay for this weekend and begin preparing for upcoming 2013 weekends, if you have not already done so, we are asking you to send your 2013 contribution as soon as possible to our Treasurer (address below) marking JOG on your check. If \$100 is too much for you to contribute at one time, several smaller contributions through the year will be gratefully received.

Remembering the life-changing weekend that Cursillo was for you, know what a joy and blessing it will be for others to receive, and how the number of Jesus' disciples on earth will be increased.

Thank you so much for considering a financial donation.

The "Joy of Giving" Committee

To donate, please make your check out to "Cursillos in Christianity", earmarking it "JOG", and mail it to:

THE GREAT COMMISSION

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matthew 28:18-20)

Make a friend.

Be a friend.

Bring a friend to Christ

QUOTES BY MAX LUCADO

(Max Lucado is a best-selling Christian author and writer and preacher at Oak Hills Church in San Antonio, Texas)

"If God had a refrigerator, your picture would be on it. If He had a wallet, your photo would be in it. He sends you flowers every spring and a sunrise every morning... Face it, friend. He is crazy about you!"

"Nature is God's first missionary. Where there is no Bible there are sparkling stars. Where there are not preachers there are spring times... If a person has nothing but nature, then nature is enough to reveal something about God."

"He loves each one of us like there is only one of us to love"

"God rewards those who seek Him. Not those who seek doctrine of religion or systems or creeds. Many settle for these lesser passions, but the reward goes to those who settle for nothing less than Jesus himself. And what is the reward? What awaits those who seek Jesus? Nothing short of the heart of Jesus."

"We see a hearse; we think sorrow. We see a grave; we think despair. We hear of a death; we think of a loss. Not so in heaven. When heaven sees a breathless body, it sees the vacated cocoon & the liberated butterfly."

"When grace moves in... guilt moves out"

"God loves you just the way you are, but He refuses to leave you that way. He wants you to be just like Jesus."

"Can you imagine a life with no fear? What if faith, not fear, was your default reaction to threats?"

"Faith is not the belief that God will do what you want. It is the belief that God will do what is right."

"What you and I might rate as an absolute disaster, God may rate as a pimple-level problem that will pass. He views your life the way you view a movie after you've read the book. When something bad happens, you feel the air sucked out of the theater. Everyone else gasps at the crisis on the screen. Not you. Why? You've read the book. You know how the good guy gets out of the tight spot. God views your life with the same confidence. He's not only read your story...he wrote it."
