

Electric and Park Committee Meeting Minutes

Thursday, September 30, 2021

6:00 PM – 7:40 PM

Present: Gayle Glumac, Larry Brooks, Melissa Brooks, R.J. Lindemann, Raymond Reynolds, Matt Tarr, Brad Benefiel, Mike Swick, Eric Blake, Marlene Harris and Andre Leachman

Discuss the Christmas Lights in the Park

With the number of displays doubling this year we talked about different ways to get power out with as little disturbance to the trees and playground area as possible.

Boring electrical lines, Nordic Box pad for transformer, underground box, temporary power distribution box cord and reels. The decision was made to put a line in the budget for next year.

The Electric department also has been going around checking on Entrance wire down to the meter on the house with several homes having issues. It is for the safety of our residents that we check to make sure homes are safe.

There was also a discussion about hand held meters when they become obsolete.

Meeting adjourned at 7:40 PM.
Gayle Glumac – Chairman
